Personal Statement

This is your opportunity to tell the Hayfork Scholarship Foundation important information that might not be evident from the rest of your application. Take time to write, rewrite and edit your responses. Show your application to a teacher, parent or friend for comments, but make sure the words you use are your own.

Please type your responses to each of the following questions:

1. How have you taken advantage of the educational opportunities you have had to prepare for furthering your education? (This question seeks to understand your motivation and dedication to learning.)
2. Tell us about a talent, experience, contribution or personal quality you possess. (This question seeks to determine your academic or creative interests and potential to contribute to the future.)
3. What would you like us to know about you or your academic record that is not described in this application? (This question seeks to allow you the opportunity to share important aspects of your life – such as personal circumstances, family experiences, challenges or accomplishments.)

In addition to the above, if you are also interested in applying for the Hersh Dunaetz Memorial Community Service Scholarship with this application, then on a separate piece of paper please answer the following questions and attach this to the back of your application packet:

1. Why is Community Service important to you and to Hayfork?
2. How does Community Service impact you?
3. How does Community Service impact the community?
