May 2nd, 2023

Attention Parent or Guardian of Pleasant Hope High School Students:

All students will turn in their Chromebooks on Thursday, May 11, 2023. This will allow our technology staff to clean and repair Chromebooks over the summer.

Seniors that have PAID THEIR LEASE IN FULL will give their Chromebooks to our tech dept. during the check-in time in order to disable school connection immediately. Seniors will be asked to sign the agreement that they paid for and received their Chromebook.

Remaining students' Chromebooks will be kept until the 2023-2024 school year begins in August. Chromebook usage or lease fees will need to be paid in August prior to the second full week of school. These fees can be paid to the HS Office on Back to School Night or the first week of school. Students will not receive a Chromebook to take home until their usage or lease fee has been paid.

Chromebooks will be re-issued at the start of Summer School for those students enrolled in Summer School virtual courses.

Students enrolled virtually during the 22-23 school year will be required to turn in their devices (Chromebook/charger, hotspot) to the District Office on Tuesday, May 16th between the hours of 8:00AM and 11:30AM. Virtual enrollment applications for the 2023-24 school year will be available at that same time; devices and enrollment applications must be completed in order to be considered for continued virtual enrollment.

If you have any questions, please feel free to contact the HS Office. We will be happy to help you.

Respectfully,

Dr. David Baker
PHHS Principal
