

REHEARSAL SCHEDULE FOR Annie

Whittier Christian High School Fall 2026

IMPORTANT NOTICE: I have been working with Admin on the possibility of our program to rent a proper Performing Arts Center in a nearby school district. This has been an ongoing conversation since the Summer; since this is still in process, please note the difference of calendaring depending on where we perform our Fall 2026 Production. Admin is currently working on behalf of Herald Drama to help our program secure a professional performing space; please pray for this exciting potential! I will update everyone involved as soon as absolutely possible, with the news of the performance space.
