STUDENT-ATHLETE REGISTRATION INSTRUCTIONS

2025-2026 SPORTS PHYSICAL ADDITIONAL INFORMATION

New NIAA regulations require **all athletes** to receive a physical from a certified medical provider every school year. Please use the new forms when obtaining the physical for athletics on activate.com. You can pick up the NEW physical form at the athletic counter in the main office.

Registration for the 2025-2026 school year is now open. All student-athletes must register online prior to trying out for a sport. Parents will do the majority of the registration process, but students will need to read and e-sign documents. It is helpful to have the student available during this process.

1: Go to **activate.com** and create an account (or log into your existing account), be sure to keep your login information, you will use it each year you have an athlete playing sports in Nevada. If you have lost your password, please contact the Damonte Ranch High School Athletic Office @ 775-321-3909 for help.

2: Click on **START/COMPLETE REGISTRATIONS** then **NEW REGISTRATION**. Click on **SELECT SCHOOL**, then Nevada and type Damonte Ranch High School to select our school. Click **SELECT ATHLETE** and then enter the information for your student-athlete or select your returning athlete's name. Please use the same full legal name the student is registered with at school; do not use nicknames, shortened names or a different last name. Make sure the athlete's address matches the address of their primary guardian in Infinite Campus.

3: SELECT YEAR/ SPORT. Make sure you are registering in the correct school year (2025-2026). **NOTE:** It is best to register for all sports the athlete is interested in at this time. You can add sports later into the school year, but you must complete the majority of this process again. If the student-athlete thinks they may be interested in a sport, check that box now.

4: Fill out the **GUARDIAN INFO**, whoever is listed as Guardian 1 must also be the primary guardian listed in Infinite Campus and must reside at the same address as the athlete.

5: Fill out the student's **HEALTH INSURANCE INFO** and a brief **MEDICAL INFO** questionnaire. If the student does not have health insurance, contact the Damonte Ranch High School Athletic Office for information on purchasing health insurance for HS athletes.

6: NEVADA QUESTIONNAIRE: Click on the **NIAA TRYOUT CHECKLIST** and answer the questions by checking the boxes, typing your name and clicking **E-SIGN** that you have read each of the statements. Both the parent and athlete must e-sign. Next is the **HIGH SCHOOL CHECK**, answer the questions based on your situation. There are many different questions to help make the process as efficient as possible. Check **YES** or **NO** to each question asked and follow the prompts. Read the questions carefully and answer honestly. Answers to these questions may have you complete a transfer application. The transfer process will tell you the student is ineligible until proof of eligibility is provided, this is normal, and documentation can be submitted later in the process. If your situation is not listed, please contact the Damonte Ranch High School Athletic Office for guidance. **Residential Affidavits:** There is a question about students living in the attendance zone on a residential affidavit (defined in activate). This is a unique situation and does not apply to most students. If you are unsure, please contact the Registrar's Office for clarification.

7: If your athlete is new to Damonte Ranch High School, you must do a **GUARDIANSHIP AND RESIDENCY VERIFICATION**, please answer the questions based on your situation. You will need to provide 2 current proofs of address. Any student from a divorced or separated household is also required to provide a copy of the complete divorce decree/custody agreement to prove that the parent living in the Damonte Ranch High School zone has custody of the child. They will also require two current proofs of address for this parent. If the parents have equal custody, the student will establish their athletic eligibility at Damonte Ranch High School upon completion of this verification. Once eligibility is established at Damonte Ranch High School, the student may not transfer to the zone school of the other parent without being subject to the NIAA transfer rules. The NIAA requires the full divorce decree/custody order that has been signed by the judge for this verification, families may redact information unrelated to custody if desired.

8: You can accept or decline the **ADDITIONAL OPPORTUNITIES** then click on **ELECTRONIC DOCUMENTS**. Some of the **ELECTRONIC DOCUMENTS** are general to Damonte Ranch High School /NIAA, some are from Damonte Ranch High School and some are direct from the sport you are signing up for. **Parent & athlete must read and e-sign all acknowledging their understanding and agreement to abide by them.**

PLEASE READ THE ATTACHED PHYSICAL INFORMATION BEFORE GOING ONTO STEPS 9 & 10

9: (Please expect to see updated information regarding physical forms/paperwork to be filled out by your physician/parents soon)
