

CAS INTERVIEW 1 OCTOBER

Please make a copy of this doc, add your name and answer them BEFORE your interview. Please share them with your CAS advisor.

1. What are your main interests? What are some big personal goals you have?
 - b) How can you incorporate them into CAS experiences/projects?
2. What skills and talents do you lack that you would be interested in building?
3. What current interests and activities do you have/do where you see space for personal growth?
4. What role can you play in effecting change? (both locally and globally)
5. What do you like to do that falls under the strands of CAS?
 - C-
 - A-
 - S-
6. What strand(s) do you think will be the hardest to make time for? Why?
7. What 3 experiences would you be interested in engaging with for a month or longer?
8. Have you thought of anything you can do for your project? Do you want it to be service focused? (it does not have to be)
