

Rei's Committee Report

Accreditation Committee:

Accommodations for functioning:

Spoke with Holly regarding options for creating their own voting software, the Co-chairs are considering their options. -To further their work, the co-chairs have inquired as to whether they can have more Official Green Party tools to support their voting and polling processes, due to the committee holding the great responsibilities of carrying forward major votes for the entire National Committee.

Working with other Committees:

The committee functions and continues to function.

Summary:

The Committee is currently meeting every fifth Wednesday of the months with fifth Wednesdays in them. The next meeting is September 29.
