Hi, i'm shinystar678! I am making this doc so he does not hurt others !!
He groomed me, yeah. I was 14 at the time when the relationship started - He was 16-17 at the time.

2024 - 2025, 'relationship' started january 27th, 2024 - i was 14.

I am 15 currently, He is 18. He turned 18 in march 2025.

Before we get into it, WARNING! This document has:

-Sexual Content (Flirting.. CRINGY at that)

This is my first time making a doc. This needs to be heard.

Because of how Google documents are, things might appear... janky?

There are document tabs, please read/look from start to finish

Thank you!

how it started + weirdness

SO:

Okay, I did begin to like him after he showed me a picture of himself, SO i began to get more and more interested, this is before 2024 i think? 2023. I do not want to go digging to look really...

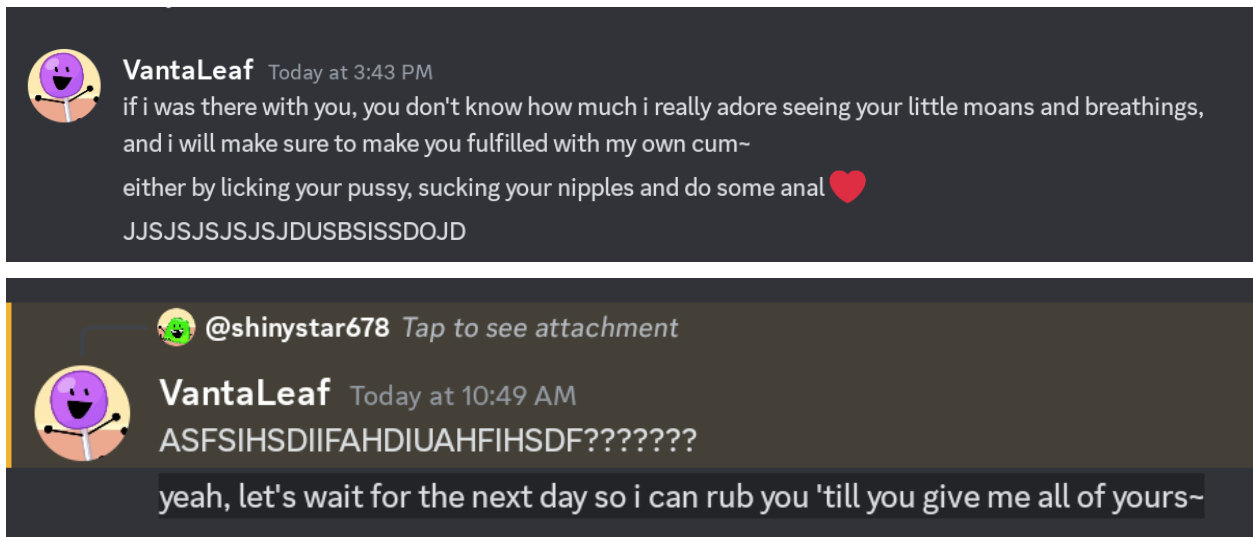

But i did draw his characters alot . too much actually.. Silly scenarios whatever

January 27th, 2024 - I confessed to him, and he liked me too!

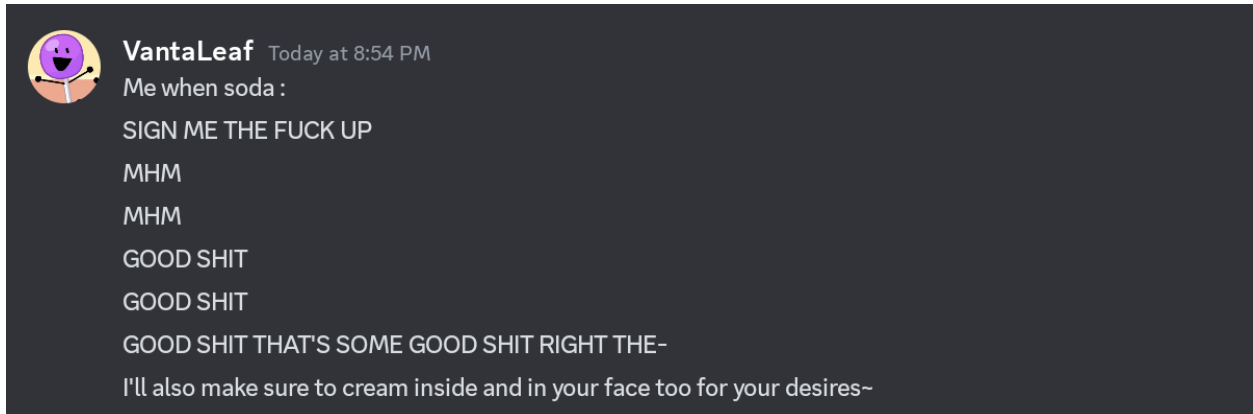

Now uh, this is where it begins to get weird

I admit, I did draw kissing and hugging him, but.. Yea it just got weirder, he began to get sexual and i went along with it. I feel terrible.

All of this makes me Sick.

All of these screenshots with him having the lollipop profile picture were back in february 2024.

^^ about the “soda” in that screenshot btw, thats actually a dumb fucking joke about my sona comet, and her pussy tasting like soda popsicle.....

ok thats enough

routine thing + bullshit

just. A lot of it. A lot of weird flirting, *thoses types of* drawings.. He began to send pictures of himself with his dick out. The picture thing started abooout. February 2024 or March, it went on and on, I thought it was okay.. So.. yea. You get it. Big frown

He sent videos too.

I am not looking for any of that for screenshots, blurred, censored or cropped. It's just so disgusting there was even one of him jacking off in the bathroom. Ok. I get you were going to go shower but like. What were you thinking there - "oh before I shower I'm gonna show my girlfriend me jacking off! She's gonna love this.. heh..."
????? hello?

Routine/Schedule:

Ok so, in 2024, he set a schedule thing! It sounded fine and good at first because I thought of that as a break! At first.... - I began to not like it.

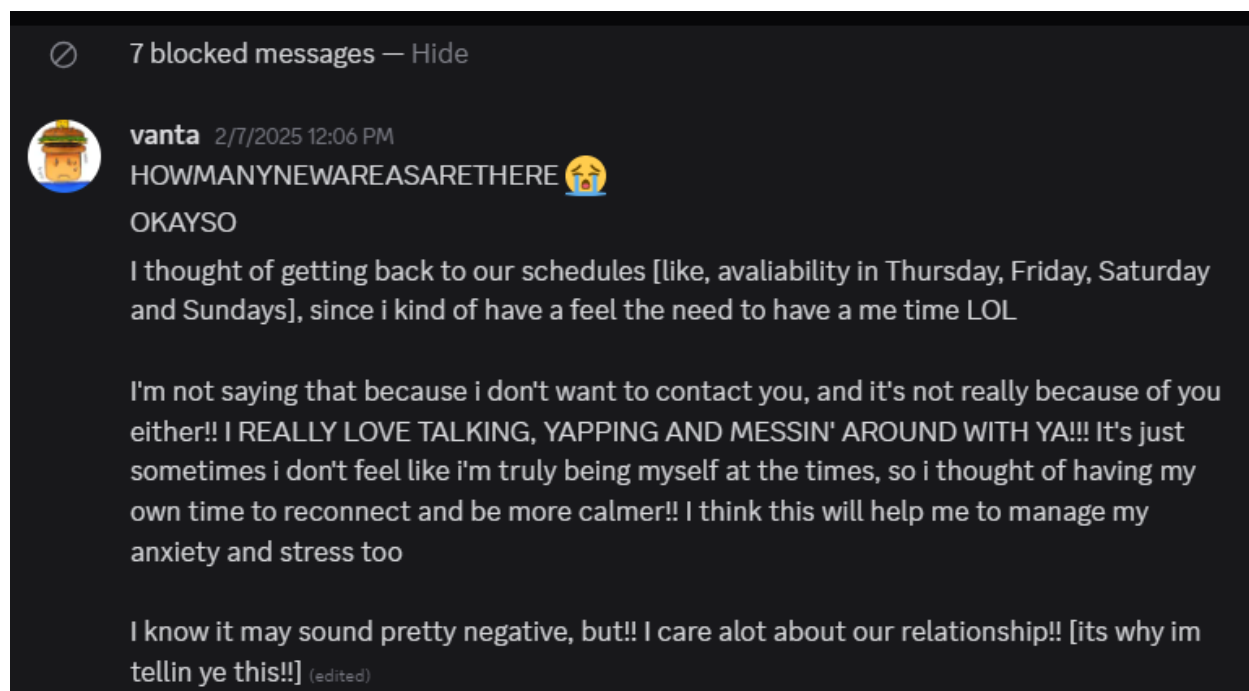

There's a lot of times he mentioned the routine/schedules to me, going through these DMs is genuinely awful because he spams a lot (I search dms, it's still just auuhghhhh I HATE)

I can't find the first message he sent trying to set the routine, at all. I do not bother digging for that. So a recent message works!

The routine was because of his school, focus and all that, I understand! But like, here's the kicker:

The 3 days he was gone because of that routine thing he set, I saw him online a lot playing Roblox.. Games? I don't know what, he always had his joints off....
Switching avatars like a lot, like usual.. It really began to feel like he was ignoring me.

-

Does anyone else find this stupid? Genuinely? **“Sometimes I don’t feel like i’m truly being myself at times”** vanta what the fuck did you mean by that. I accepted you, you said you felt so open, and yet you don't feel like yourself? Oh my God .

“It may sound pretty negative” yea! no shit sherlock!
It really did!.... The “me time” part.. Eughh oh my god it made me feel so mad. But that's really what it was anyway

On the TOPIC of that routine thing. Ok so 2025 right.
Schedule still around. Its so fucking stupid honestly it felt like he was ignoring me

3 days while he was “gone”, THE WHOLE 3 DAYS.
He would be playing games, alot actually, changing cosplay to cosplay like every 30 seconds - Does that look like hes focusing on school? Things he needs to be doing?
No.

AS A MATTER OF FACT ON “things he needs to be doing”
Idk if he CAN get a job over where he’s at, but his mother told him to GET a job. Lmao.
He acted like he was so afraid. SPEAKING of afraid. You arent going to fucking believe this **but he actually made a “comic” on how he felt. Its so unreal**

I genuinely find it so weird like wtf - AND THE FACT HE USED STICKMEN. I cant do this - 17 at the time by the way! - hes 18 now, again idk if he CAN get a job, but he is old enough for one... speaking of! (like the 3rd time ive said speaking of i Know)

Yall. one time I offered him to play a game together! I can get feeling tired and don't want to, but here's the ***Fucking kicker!*** He would rather play (afk farm) on sols rng.. Because he was tired guys!!! Guys!!!!!! If your tired just go to sleep, rest. wtaf are you doing. 18 at the time btw. Unemployment

solyss 3/29/2025 3:20 PM

u mention gambling what ELSE could we think of?!?? sols rng? thats like the biggest gambling game on roblox so its obivous 🔥🔥 i actually think i knew right off the bat, AGAIN, not trying to make u feel bad

Tried hiding my anger but at like. The last message i sent in this screenshot ^^ i hardly could. Who the fuck chooses Most Boring Roblox Game On The Platform over spending time with someone, playing a actual game thats not afk simulator

The “gambling” part was so obvious like genuinely, He’s not gambling IRL! What the fuck ELSE could you be doing. Dumbass. I guess im dumb

Oh yea screenshot from month(s) ago its so funny to me because he couldn’t avoid that afk gambling game. Bullshit. He’s also still in the sols rng group LMAOOO

vanta 1/17/2025 6:06 PM

btw in all honesty, i dont even play **sols rng** anymore because not only it became boring, but the devs are fucking/slacking around too much 🥲

i just think cutscenes look simple and cool (especially fanmade ones) LOL

vanta 1/15/2025 3:13 PM

if you ever played **sols rng**, i would be either terrified or shocked

"I-ii-i don't play sols rng anymore.... 🥲👉👉 b-because-" ok whats that then Idiot

Genuinely I think you thought I was Stupid.

Vanta. You are 18. Your mother told you to get a job. What are you doing? You would rather play sols rng or Forsaken. Are we deadass.....

As a matter of fact, speaking of 18! I do not feel like retyping this so have my discord message, I am not lying on this at ALL.

solyys 4/7/2025 7:35 PM

this is recent. few days ago. actually

i was streaming rain world to vanta because i was gonna get the dlc later, suddenly, he wanted to tell me something so i was like "wha" then hes like "...i just wanted attention from you" .it was like ??? yea i have been doing alot of things .my own things

.so i started drawing something for him during that stream and woah my god he started breaking down

it felt so weird at the time because i didnt know what to do and drawings were like. the best thing i could do because it ALWAYS cheers him up

REALLY felt weird bcuz. i am 15. witnessing a 18 year old breaking down infront of me after telling me he wanted attention, he told me a few other things in his life but man. felt so weird

He really did cry btw. By breaking down i meant CRYING. IT FELT SO FUCKING WEIRD BRO. you out here crying to a 15 year old (ME) for attention while your 18 you couldbe going out, getting new friends, going to a club or something! 18 things! But what are you doing? Leeching off of me, a 15 year old. TALKS TO NOBODY ELSE BTW!!! 📢📢📢📢

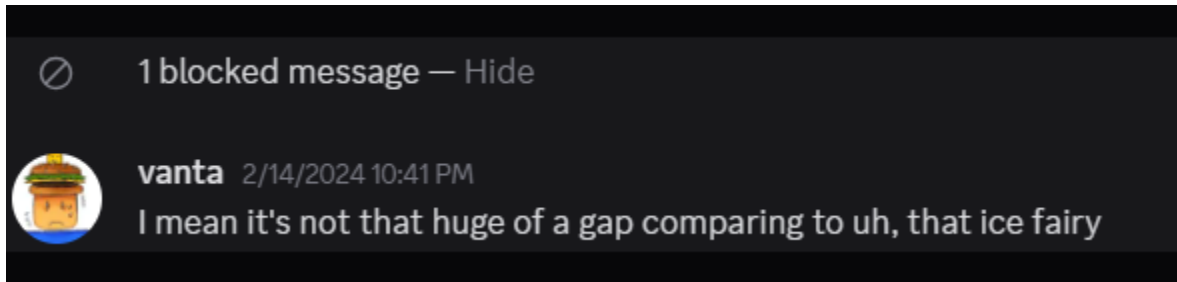

He said that he hasn't talked to anyone else in months, but he edits messages so fucking fast oh my god.

Not talking to anyone else but me is concerning?? Like, I'm 15 and.. Yeah. meanwhile your 18 you can do whatever the fuck you want like WOWWWW leave the house meet friends go out and have fun... but you'd rather have me. I'm not even old enough for you Bye.....

Relying on me, overdependent on me.. Im 15 bro. Go find people your age to leech off of.. As a matter of fact. LEAVE. Nobody wants you to leech on them... weeeiirdddoooo

worst parts

I should've got to this first actually, but i dont wanna go back and rearrange.

This is about the age gap we had btw, the “ice fairy”? He wss getting groomed by someone who was like. 22. - I think vanta was 15-16 at the time? Idk yea. It was Terrible

But “comparing” this to that is diabolical. “Ok well atleast its not like the time THIS happened.....!!” thats just as bad.

I admit, I did not catch on at the time that was sent because of how i was.

Is it okay to date a 14 year old at 17?

No, it is generally not illegal to simply be in a non-sexual relationship with a minor.

Dog Says F**k to Owner

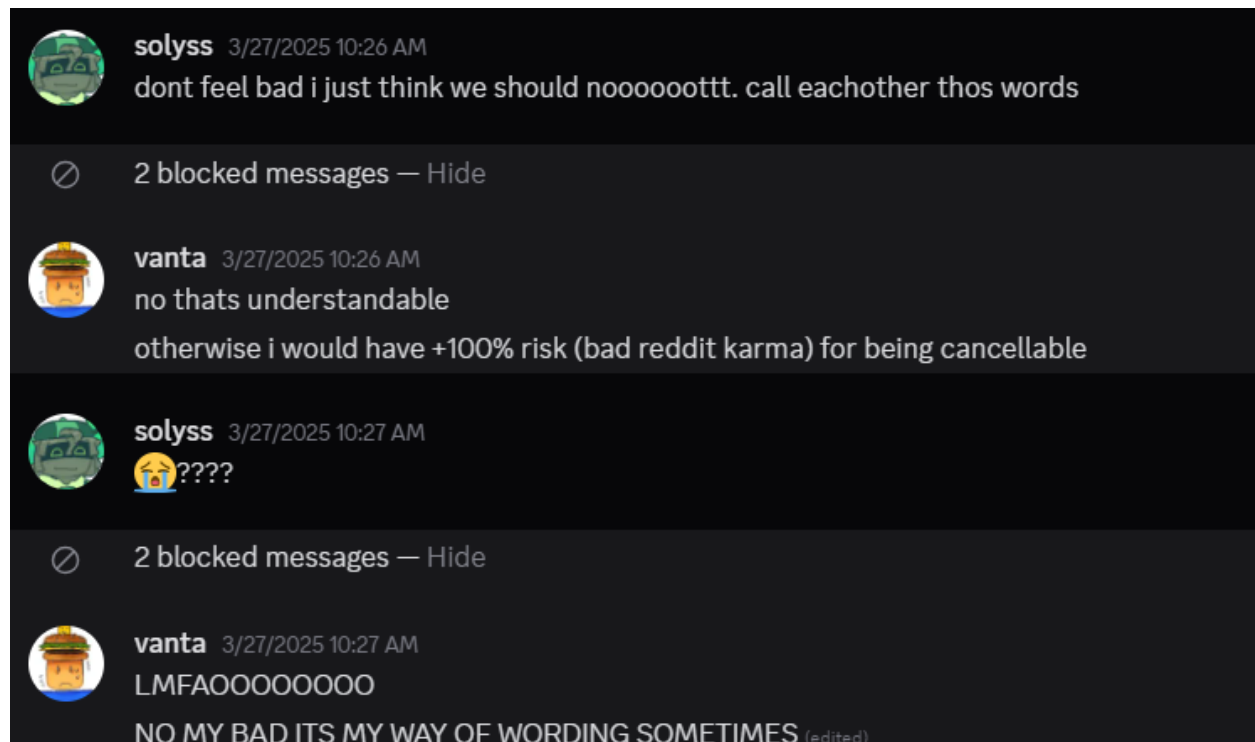

I mean i think it depends on maturity though??? (edited)

Why did he need to search it up? I guess if he asked his parents he would've got his ass kicked!

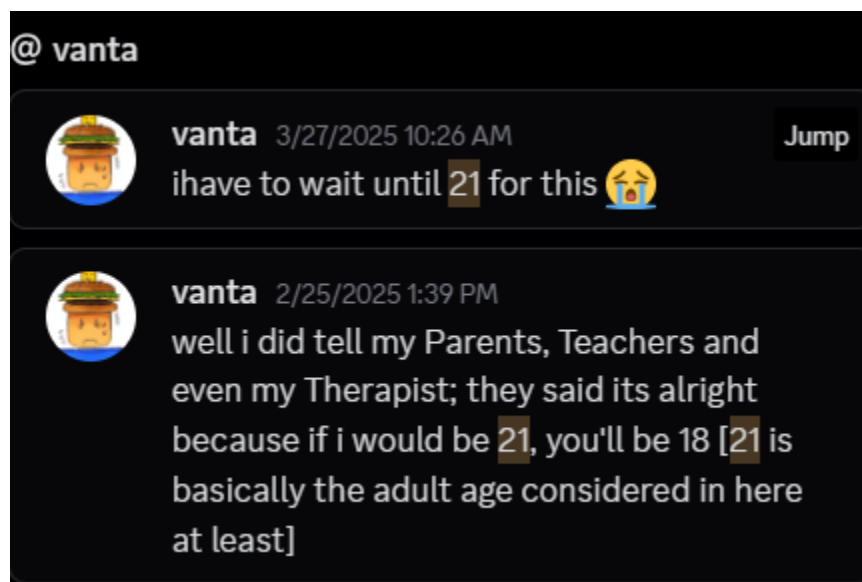

Oh my lord. The maturity part. No matter how old the person is, you shouldn't be doing this and that to them. No matter how mature.

As a matter of fact how am i more mature than a 17-18 year old 🗿

IM FORGETTING SOMETHING! HERES SOMETHING STUPIDER.

Who the FUCK says “bad reddit karma” in response to an topic like “i dont want you to call me those names anymore”, 18 at the time btw. Lmao.
He was also willing to wait.

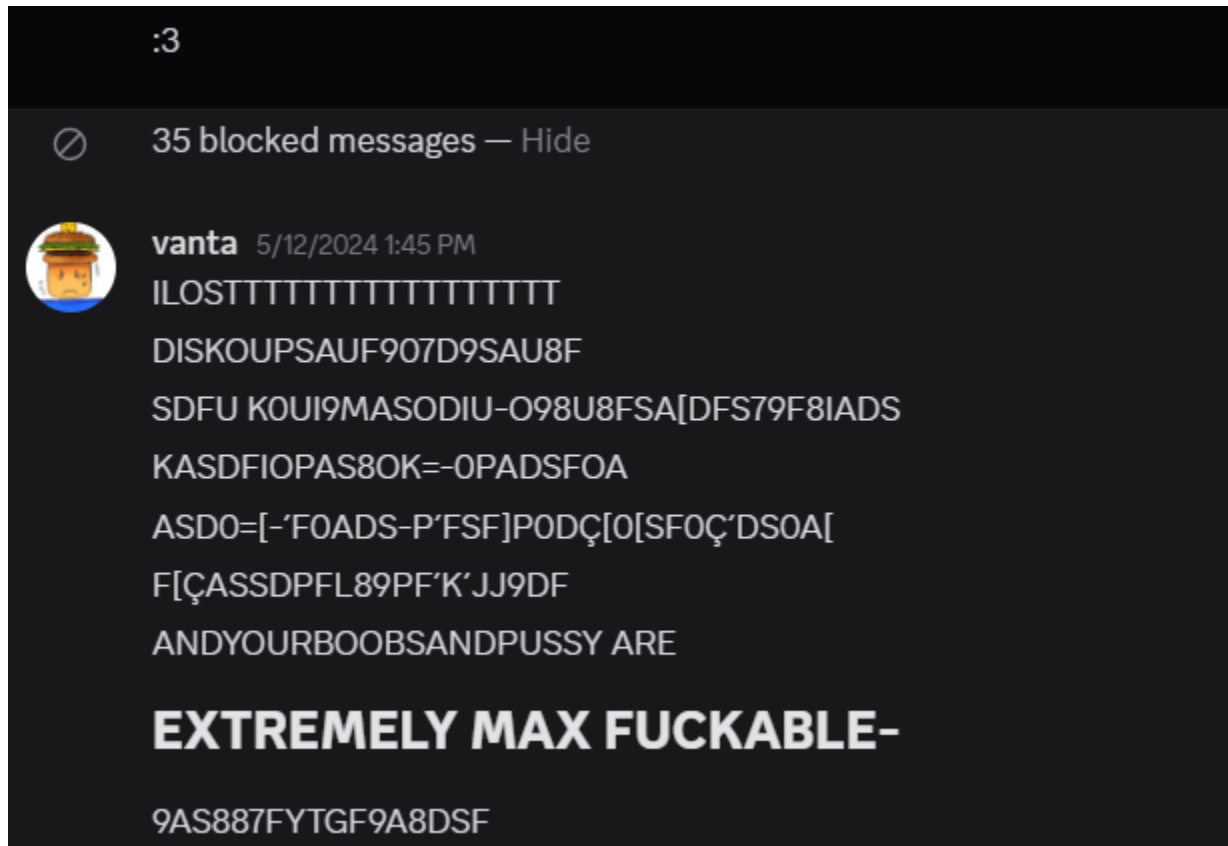

I don't like this whole “waiting” thing because its like your getting preyed on until your of age. Then they act all fucking weird...

The waiting wouldn't have worked anyway, its a long distance relationship, idek why i brought up the idea of "just being friends" to him, that ALSO would not have worked - You have seen my body, my face, all my drawings i made Just For You. eeeeeuuugh.

Speaking of "Body". This screenshot is from 2024!

Guys, **Who the fuck refers to a girl, SOMEONE's body parts as "extremely max fuckable"?**

Like i am a doll toy to him, is this what i am to you vanta?

I did not catch onto it at the time, the context was NSFW, but when i looked back at it its just a really big red flag..... Why did i like him. Eugh. i hate myself AND him.

I wanted to mention this too, but hes fucking copying me. Taking my idea basically

I have showed him progress of my 2D RP game, yea! But if your taking inspiration from something THAT HASNT EVEN RELEASED YET fuck you. Genuinely. Thats taking ideas

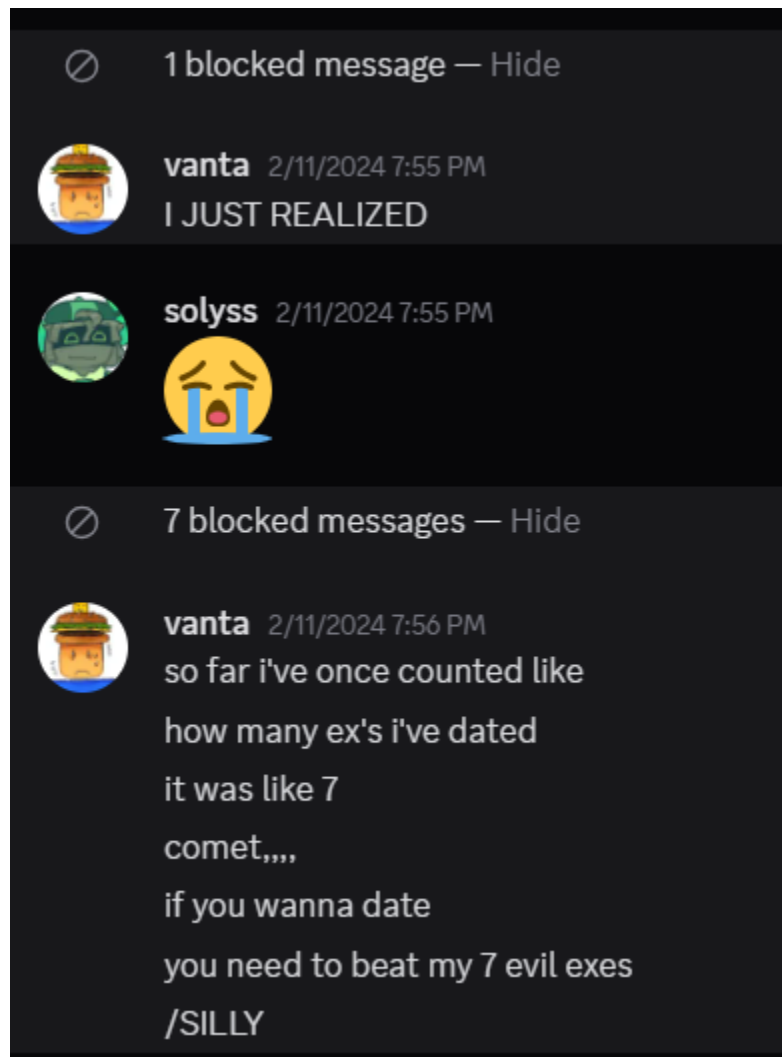

Vanta you piss me off so bad, stop that. Stop that immediately. The little :D at the end fills me with rage.

Oh yea! Sin of gluttony! Before that fucking “objects in eternity” thing, he would start making a bunch of “C2DRP MORPHS” of his ocs and designs, “season 1” morph pack had like 6 morphs in it. There was also gonna be a “season 2”. What is it with seasons? The special morph room isnt even that fucking big. I want room for others its not all for you. If a friend wanted a morph of their oc they are limited to 3 morphs.. And YOU buddy... you were gonna take all the space.

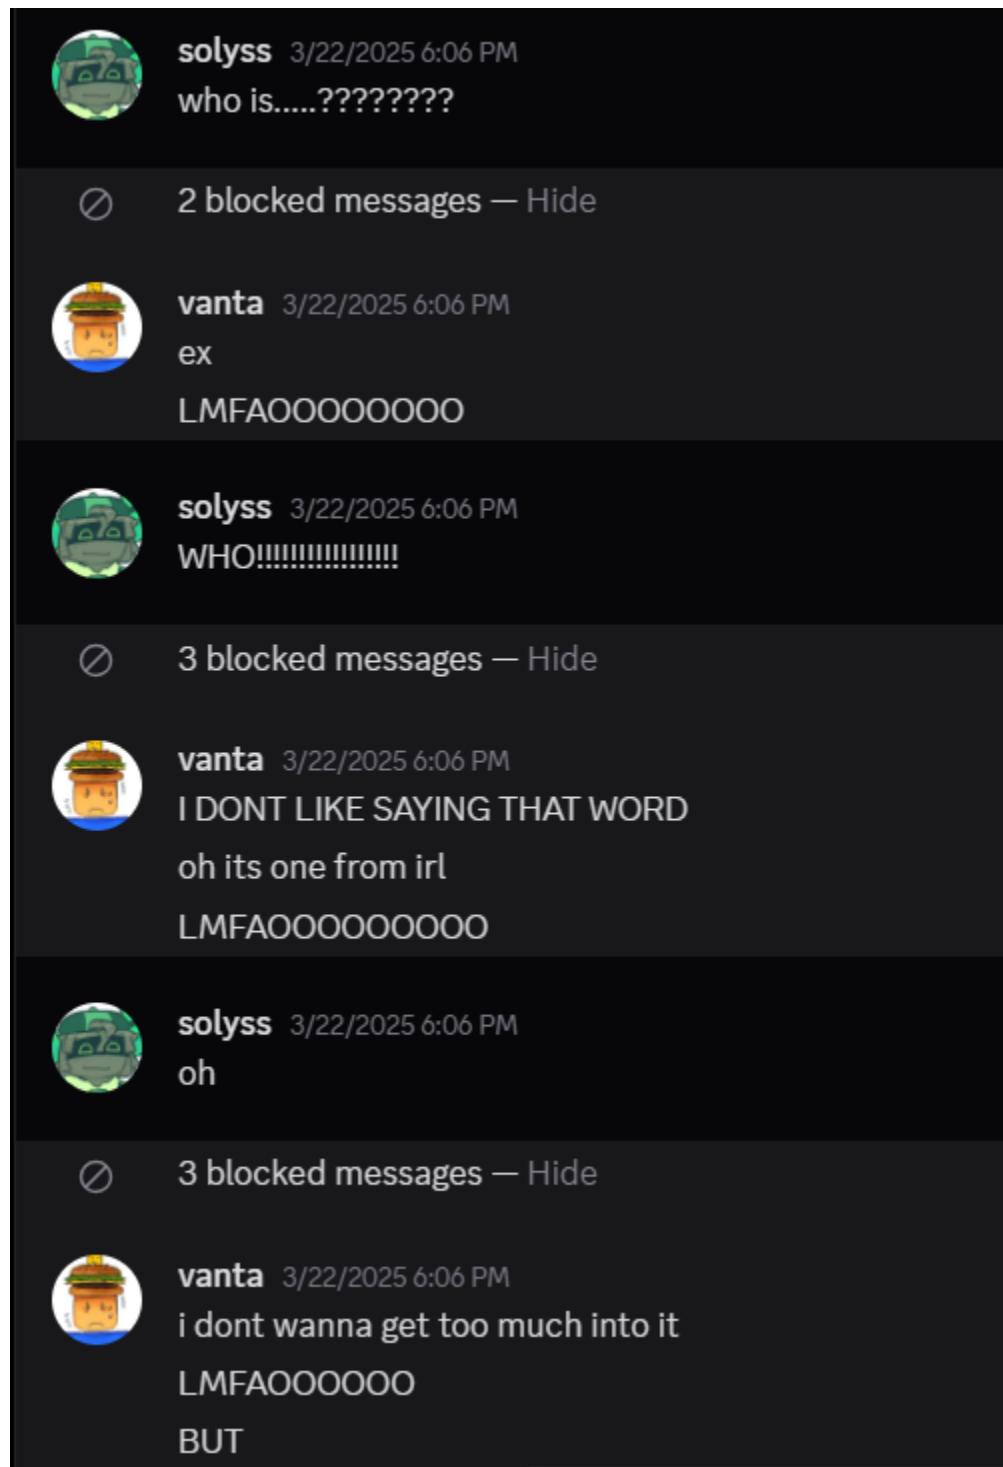

CHERRY ON TOP....

And now for the PART! I’ve been wanting to put at the end. You aren’t gonna believe this, but he has **7-8 exs.**

He also namedropped all of them except 2 of them, one being an irl girlfriend, and!!! SOMEONE ELSE. yeah. Sorry. I see now .

I will not be sharing that screenshot either because its like. An invasion. Speaking of ex's sometimes he would just FUCKING MENTION THEM.

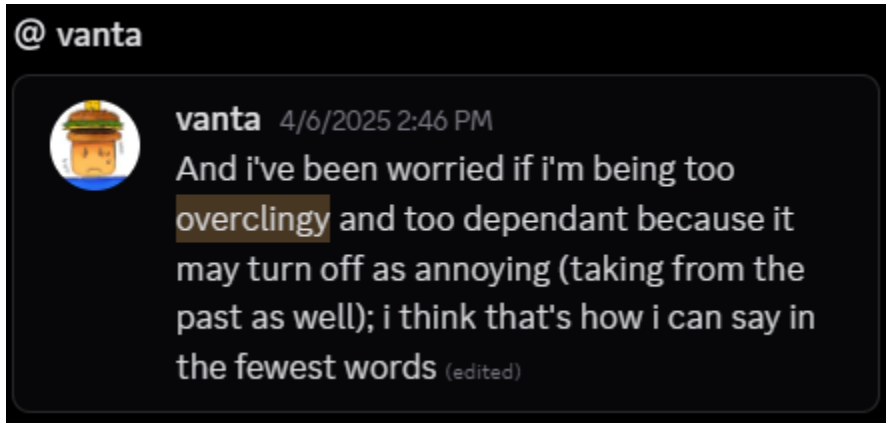

I thought we were moving on vanta!!! Why do you still care about your exs holy shit put that out of your mind.....

“I dont wanna get too much into it”, genuinely, why did you mention it then? Ok. Like if the someone was her and you didn’t- ok actually just fuck you dude

April 2025 - End of 'Relationship'

End

Ok one of these days in april, he mentioned he felt like he was being too “overclingly” ??? venting to me really, but when he said “overclingly” “too dependant” I caught on so quick. Like OHHH..... That made me feel even more weird....

So after he left that day i just felt really uncomfortable because i caught on when he said overclingly... i feel so fucking stupid for not catching on sooner . Thinking about everything, why did i go through this? Why? But theres more!

This screenshot is the day after the 6th.

oh, sorry

in case if you're free again; lmk!

i'll respect that choice

[Update]: i know i should've just sent a message instead but i'll just put a straightforward edit:

I'm sorry for being way too resistant about this whole cause; i acknowledge it was wrong because i'm already a grown adult and the age gap is way too far.

i genuinely acknowledge the responsibility for my own behaviours and mistake, but moving forward; i promise to let you take all time you need and not bother you for indefinite time unless if given any updates in dms, and hope you can forgive me from my actions, thank you for listening (edited)

I told him to come back later because.. Yea, uncomfortable, i had to talk to someone about it.

ALSO ABOUT THE UPDATE EDIT

Yea. he edited the message so it was a jumpscare when i checked back to put my final message.

I sent him a final message, then cut him off! On how i felt and everything.
He took it hard! Unfriending everyone on discord and roblox

“Im sorry i have manipulated everyone” Sure Bro ..sureeee

“Please forgive me” NOBODY IS FORGIVING A PEDOPHILE??

You have:

-manipulated me, used me and dragged me into drama in an community
(that couldve been handled privately) - you made me look stupid

-sooo much sexual shit like. Bro. do i even have to mention them again?

-called a 14 year old FUCKABLE

-drew porn of me in school

-made me wait on you (the routine shit) for some.. depending shit??

-did i mention used me?

-lotts lots more.. We'll get to that.

do u know how much damage you've done .???? just take the hit, you've
done wrong, admit your wrong.

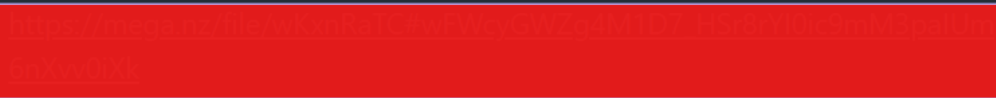

Minutes after he had changed that bio to that, i see that he said
he made a response... THROUGH A **CARRD**????? A carrd of all

My experience about shinystar678; a seriously, long explanation on why she's an absolute fraud.

i don't want to waste time to introduce myself. And i'd appreciate a lot if you can read my side about her, if you can.

UPDATE: YOU DON'T NEED TO FRIEND REQUEST ME ANYMORE FOR THE EVIDENCES, PLEASE TAKE A LOOK AFTER YOU READ MY RESPONSE.

(its a google word document file, i'd rather share a file that doesn't expose my gmail than sharing on a website that does.)

***-Chapters:**

- [1] Star introduced and encouraged me to sexual topics
- [2] Despite respecting her boundaries, she still made it worse.
- [3] Star claims one of my difficulties as a whiny excuse.
- [4] A response to "i hate Vanta, he is Unfunny and Corny"
- [5] What took me so long to redocument this, and why did i private and unfriend everyone?
- [6] Where are the image evidences if i'm saying all of this?
- [7] Did you really steal her game's idea?
- [8] Final Thoughts

[CH1] Star was the one who introduced into sexual topics and encouraged me to get along with it.

"Whats that red block?" I wanted to censor the link, because genuinely, actually.. Let me put a summary of the "proof" he had:

It is:

-Intimate Drawings I made **only** for him to see, and he tried to use it against me

-A screenshot of me calling his face cute (this is so funny to me what do you want me to say to that now? Like nvm nigga yo face is PEAR shaped. Really ugly tbh)

..A screenshot.. Of me and my friends dms (dragging them into this </3)
Its a mega link btw. Bcus hes SOOO afraid of leaking his email! LMAO

“LOOK!! COMET DREW THIS!!” you enabled it? You wanted it? Don’t act like you weren’t for it. You loved it.

[CH1] Star was the one who introduced into sexual topics and encouraged me to get along with it.

In the beginning of our relationship, it was all friendly and still. But then she suddenly brought up the artwork of some nsfw related things, she drew our ocs with the references of:

- 5 Guys 1 Girl (Yes, *that* "meme".)
- Comet trying to bl*wjob Cocoa (didn't show fully NSFW yet.)

Knowing i have a lot of sensitive impulsivities, including sexual ones; she could've told me to stop when i became impulsive, but she decided to *get along with it*. She also mentioned she also drew lots of NSFW before she drew many more of our ocs doing the "badabing".

+ SHE WAS FOURTEEN, AND SHE INTRODUCED SEXUAL TOPICS TWICE AND SHE ALREADY DREW LOTS OF NSFW BEFORE WE GOT TO KNOW EACH OTHER.

“5 guys 1 girl meme” EVERYONE MEMES THAT AND YOU LIKED THE JOKE LMAOOOO

We were in a game where there was clones of peoples avatars walking around, then you made the joke of that, and i thought “oh hey thatd be a funny drawing lmao” so i drew it! And YOU laughed it, actually im just

gonna get my discord responses:

**sol**  6/17/2025 6:10 PM

hi! so i am making a thread as a liiittle reponse to vantas apology, which can be found here:

notastar678

notastar678

Experience with shinystar678.

theres alotto talk about here

first id like to talk about 'CH1'! i know it sounds crazy, yes
first of all 5 guys 1 girl EVERYONE MEMES THIS DUDE and YOU made the joke,
we were in a game where players would have clones of themselves appearing, he made a joke about said meme
and i was like "hey thatd be a funny drawing" so i drew it, and u thoght it was funny too!

now for the BLOWJOB part. and for everything, i thought it was **all okay** because thats what couples do right...? i
apologized in the 'start' of the relationship for me mentioning such things and actions because i thought it was
wrong, you said it was ok, you said it was fine. i was under your guise. **you said it was okay**

i did NOT draw lots of porn before we got in a relationship, i drew sfw things of our ocs together before the
relationship. get it together Lucas. i liked your ocs, i liked drawing them, i didnt draw porn of your ocs before a
relationship! because what the fuck thats weird (edited)

Onto the 'next' chapter:

[CH2] Despite respecting her boundaries, she still claims i'm a harrasor.

After 1 year of our relationship has passed, she set a boundary to stop the sexual intimacy, i agreed and knowing i turned 18; i already felt regret on dating her in the first place as soon as i became a young adult.

I never forced her out of the boundary and it takes time to apply the boundaries, it's not some sort of a instant magic spell.

She also told me on her final DM message about "i hope you have a great future and get the dreams you want", THEN you decide to write a whole fucking documentary to expose my wrong doings while in reality: BOTH of us are at fault??? It would be better if you just let me go instead of writing a whole ass documentary of me being a "BAD PERSON";.

sol  6/17/2025 6:19 PM
for CH2

regret regret blahhh blah blahhh woah we get it, **the thing is is that your way older than me and i am 15**, you let me get **hypersexual**. you couldve stopped this yknow! a simple stop wouldve been nice if its like that dude, but woah i guess you fucking loved it or something

about the dm message im not gon lie i felt really bad letting you go but you made me uncomfortable aftrer blah blah blah venting to me and you said you fear you might be overreliant or something, so i let you go after that dm and a few days, you know what? i thouyght about it; you groomed me. you did. and i dont want to let you get away with that (edited)

oh btw how ironic i think because oh buddy ol pal SOMEBODY you knew, wanted to be left alone, you couldnt handle that fact they wanted to be left alone and didnt want to be friends with you so you were so SADDD and paranoid you made a whole fucking doc trying to expose them when really they did nothing wrong, and just didnt want to be friends with you, at all.
anyway:

both of us at fault. you took advantage of meeee ummm..... OH! you also said this when you **trying to expose** somebody, that same somebody i mentioned.

it may have been "both of us at fault" in this situation, but the scale slides.... OH its ALL the way on your slide! majority of it is your fault. (edited)

you want", THEN you decide to write a whole fucking documentary to expose my wrong doings while in reality: BOTH of us are at fault??? It would be better if you just let me go instead of writing a whole ass documentary of me being a "BAD PERSON";.

Next chapter:

**[CH3] Star claims my paranoia as a whiny excuse.
That is genuinely horrible and rude, man.**

Plus; when she talks about my "paranoia", she texted like "waaaaah waaaaah im a scared baby waaaaah waaaaah"

STAR, MY WEAKNESS IS NOT A EXCUSE, SHUT YOUR FUCKING BITCH ASS UP, Paranoia is a human and a real feeling and you already acknowledged i have that strong weakness/flip, that's just genuinely rude and blunt. people on SOTO probably already knew i have that too during *harsh situations*.

+ I was scared of being cancelled because i know how easy it can be misinterpreted and people just don't care about knowing the other person's side.

"You already acknowledged i have that strong weakness/flip" so you admit **you're weak?** awww.... Anyways i don't care about your feelings; *you* hurt me

"paranoia is a human and real feeling-" IM A HUMAN TOO??? Why do u mention human and real feeling like i felt nothing at all WHEN you hurt me LMAO ?? r u by any chance.. Actually im not gonna say it

[CH4] "I hate Vanta, vanta is unfunny and corny" - Star

Star, you LAUGHED in the voice chat, the "LOLs" you sent felt REAL, and you ALSO drew many drawings of my jokes and punchlines from our ocs and gigs; how are you saying this right now if you at least didn't tell me it's annoying you? COME THE FUCK ON.

sol  6/17/2025 6:29 PM

CH3 do i have to say anything idk i dont care you hurt me

CH4:

i admit i have laughed at your jokes, but yknow? sometimes and going into 2025 you just got moreee more unfunny im not gonna lie
but who the fuck laughs at "NAKED COWBOYS AT RAM RANCH" for almost a whole fucking month cmon nigga get up. i didnt show i was like "CAN YOU STOP" in dms at the time but i thought a few times u would be like "ok ok i should stop"
ontop of that, after **FINDING OUT** and i had to TELL YOU that creator of that 'meme' was problematic to get you to stop!

why r u getting so hurt about me calling u corny and unfunny that u have to make a whole response to that thats actually CRAZY; **nobody is funny all the time!!** literally just "WAAAH WAHHH MOMMY SHE SAID I WASNT FUNNY!!! WAHHHHH"

do i have to say anything about the soto part;

Me at the time, I trusted you because you were my only close friend at the time, me not knowing anybetter (yes im going to bring this up fuck You)

i was like the only person on ur side at the time. you lied to me about everything, you harassed somebody bcus they didnt wanna be friends with you (whole doc on them coughing)

you turned me against people who did nothing wrong, and because of YOU i cant even look at the fucking game without getting flashbacks, OR enjoy something i liked! you a bum ass nigga fr

[CH5] Why did it took me so long to write this instead of trying to private your social media and unfriend everyone?

First, i unfriended everyone because i know everyone would unfriend me and hate me out of the sudden, i decided to remove everyone before they could because of how much stress and pressure she put myself onto.

Second, i privated my social media because i seriously don't want to be harassed on my messages nor anywhere in the comments.

Third, it took me long to at least have a real response to this situation because every situation takes time for it's response, it isn't always that fast; especially for someone who doesn't know how to regulate emotions and act out of stress sometimes.

CH5: i really dont care sorry

[CH6] If you are stating these, where are the image evidences?

PLEASE don't be afraid to friend request me on Roblox and at least tell me your discord username on the roblox dms, i'll be sending the Evidences of specific messages and illustrations about it, i can't bother to add the images right now due to how angsty or painful i have to look back at DMs from; unless if it's a necessary time to show them.

[If image evidences aren't enough, i can live stream as an alternative option, i will not speak or utilize my voice at all.]

Star, if you delete or edit your messages/images of what you did right now; this only adds more coal to the stove, you're not fucking slick.

Why do they have to friend you ON ANOTHER PLATFORM just to see “evidence”?

[CH7] Did you really want to steal her game's idea?

I mainly took her game as an huge inspiration instead of a blant rip-off. It would moreso be focused on NPC Interactions and Dream Game like Explorations, but i don't think she took the word for this one.

I also wanted to add morphs to her game as dev-exclusive because i genuinely miss those days where i created a lot of custom morphs on SOTO, but while i admit i was a bit of a pushover; she didn't have to add this part to the documentary, it's also extremely unnecessary.

[CH8] Final thoughts and words

I seriously don't know what the hell nor why this shit is happening; but this is seriously not okay.

I'm not sure if people care too much about Hebephilia or believe "Reverse Pedophilia" is a thing, but i'm seriously pissed off and i genuinely can't take her shit. Again; please don't be afraid to contact me on Roblox and send your Discord username, i can get through her DMs.

If you read this far, i seriously thank you and i respect alot for the patience to read all the things she has done as well. I'm not here to convince anyone nor i'm here to "dethrone" her or for anyone's forgiveness, it just feels horribly wrong and horribly immoral for what she has done.

As to you Star, what the hell is all of that for? Couldn't you just move on instead of making a whole ass documentary of every single 'mistake' of someone who's already out of your life? GROW THE FUCK UP.

vanta did you hear yourself when you were writing this 🤔🤔🤔🤔🤔🤔🤔
REVERSE PEDOPHILIA?? LMAOOOO

Your trying to say *that* happened, reverse pedophilia is not a thing
YOU groomed me, AND NOBODY EVEN MENTIONED REVERSE
PEDOPHILIA, YOU DID?? LOL

Whenever you try to be serious it ends up being the funniest shit ever; AND
THEN THE USE OF BIG WORDS you look stupider

“Couldnt you just move on-” you the one who made a carrd response <3

CH6:

if you were to reveal any pictures of me that would be abbreviation for cheese pizza 🤔 dumbass

dont show my face either if you do because that means i can show your pear lookin ass.

and for the **DRAWINGS**:

I admit, i have drawn alot of nsfw, but i thought it was *okay*, you said it was ok, you didnt try to stop me at all, you fucking loved it! you loved jerking off to me!

no nigga im not gonna delete anything i dont even bother but if u reveal anything that gives me the right to reveal something! think about thisssss

CH7:

reverse pedophilia...?

im 15 btw your 18 how about you flip burgers

GROW THE FUCK UP.

(end of my discord responses)

Your telling a minor nowhere near the age of 18 to grow up >_> your the one acting like a manchild.. Your 18, YOUR 18!!!!

About ch7 i really dgaf if mentioning it was unnecessary LMAO i dont want you running off with that!!!! Your unoriginal tbh sorry (not sorry)

After His 'Carrrd Response':

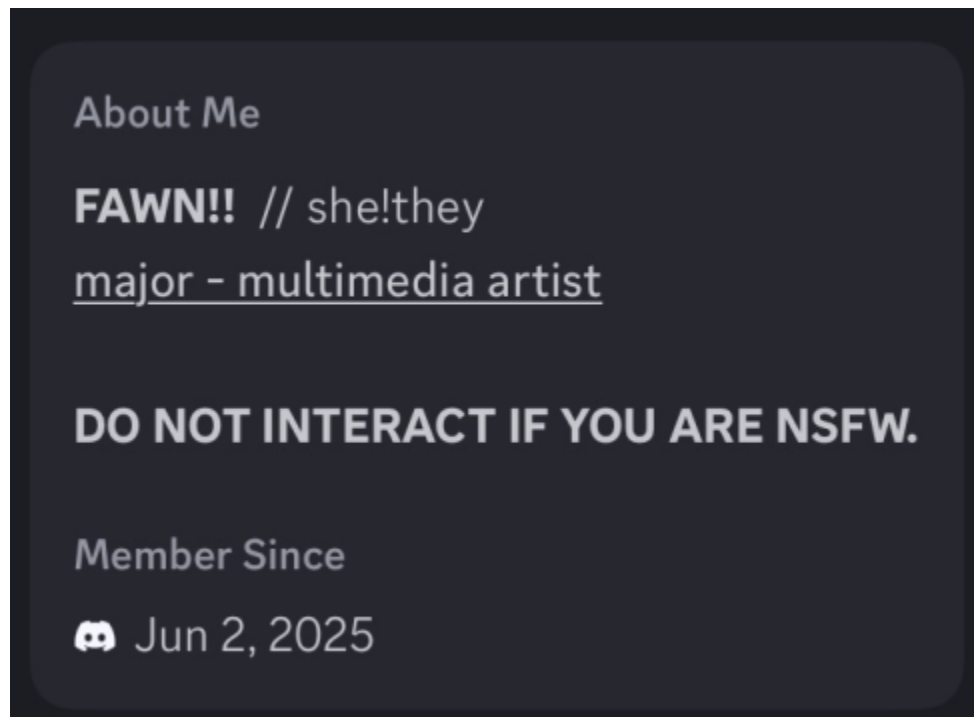

I was just like "why is he doing this and that" LIKE THE LINK AND THE CARRD STUFF?? LOOOOL .

Sooo.. I got in contact with someone else he has fucked over (I will call them 'Phlox'.), then I got somebody to be an messenger for me!

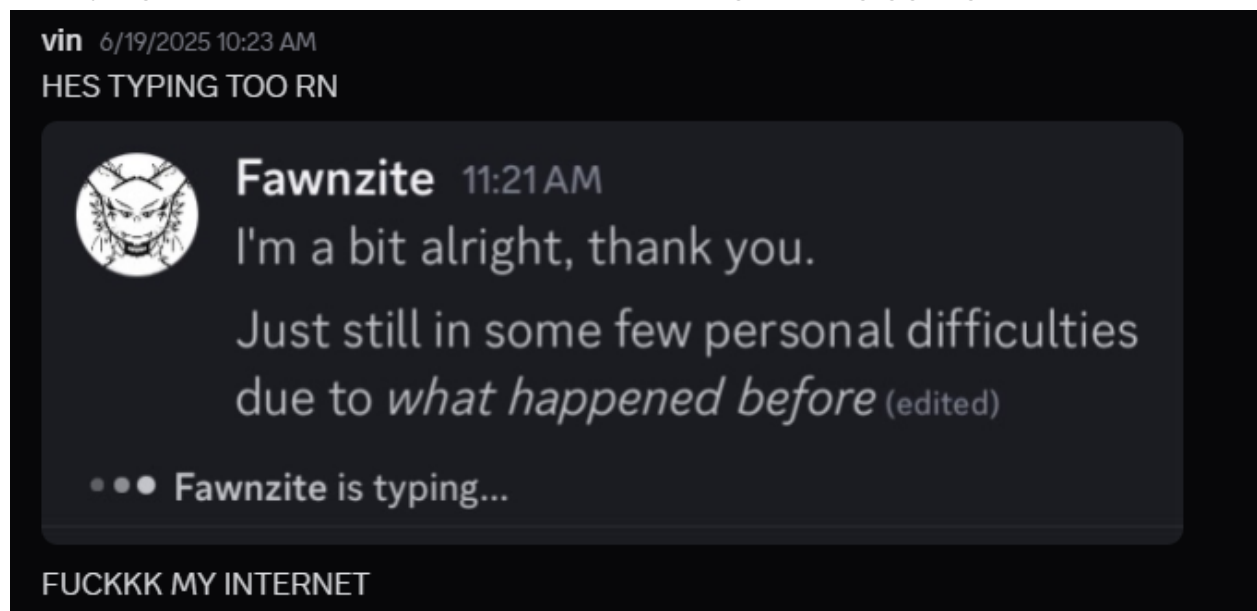

We got the messenger to get in contact with vanta, because that was the ONLY WAY i'd be able to like.. Talk directly to vanta

It was the funniest shit ever .

This was vanta's new discord account's bio btw

Im crying dude LMAO. Personal difficulties got me giggling

Just still in some few personal difficulties
due to *what happened before* (edited)

NEW MESSAGES

Fawnzite 11:24 AM

Do you mind if i can express to you a bit
about what happened after this
situation? I'll appreciate alot just to hear
it

|Message @F...

He doesn't even WAIT or anything, he immediately just starts going "do u mind if i can drop my sob story on u.....🙄"

Now, about the sob story. Oh my God

Fawnzite 11:25 AM

Alright, thank you so much;

Basically, after she lied about not wanting to do harm on her last message and posting the documentary on Twitter; i genuinely felt betrayed because i told all of my passions to her; this raised a fear of pursuing my animated series alone.

A important factor i'd like to give is everyone believed it and i lost all of my friends from that single post. It seriously hurt so much because of the replies (most of those replies were the people i know), this includes a quote retweet where someone says "IF YOU SUPPORT VANTA DNI!! HE GR##MED MY FRIENDS!", this horribly messed up my mind on what really happened. I can't even look at the OCs ive created and loved the same anymore, its like if one of my ocs become known somewhere, someone would bring up the misdirected accusations anytime because of her

Message @F...

post*. (edited)

Again; she brought up a lot of sexual things and hinting a lot of addictive traits when it comes to me at that time, and the level of addiction she had was.. way too extreme. I also had a huge problem and issues with sexual impulsivities because of how my past exes encouraged me as well (probably not blamed, but it's when Star began to make too many signs of that that's gotten to my impulse.) (edited)

It hurts alot too because i don't think the internet really cares about hearing the others side, which is what took me so long to reply.

Fawnzite 11:36 AM

By the way; im not trying to tell that i'm a victim nor she is either, it was kind of like both of the sides fault, but what she did was cruelly unfair.

Like, sure i made mistakes of being a bit too clingy and seeking for her validation, but misdirecting it into that kind of acussation could ruin a life. (edited)

Fawnzite 11:41 AM

It is very real too, it's breaks my respect to everyone too much

funny thing is, it didn't feel like i was having my own fantasy with her, it moreso felt like i'm living in HER fantasy.

I don't want anyone who i knew to forgive me or forgiveness in general too though; they literally ditched me for that.

Even if they try to apologize or make some amends with me, i don't think i will trust them for that anymore.

It's like becoming 'close friends with an ex after you just broke up (edited)

Though what i still wish is to people acknowledge about my side of the situation and have some clear perspective to what really went wrong, i do not want to leave my past legacy like this. (i know this is paradoxical to what i said before this message, but i'd rather not be get into that made up 'situation' of hers again) (edited)

HE SAID
HE ONLY SPOKE TO ME
HASNT SPOKEN TO ANYONE ELSE
FOR MONTHS
NIGGA???

YES he hadn't spoke to anyone else in months and it was just me, like what friends bro? What friends? If anything you was GHOSTING THEM LMAOOO

Also, about the "it didnt feel like i was having a fantasy with her" part:

sol  11:55 AM

also about that dumbass "fantasy" thing he mentioned in his sob story
i figured him out
alot of shit... ok so he'd have 2 lesbian ocs and ALL he'd joke about those 2 ocs about IS!! them being intimate .vvery intimate . like IS THERE ANYTHING INTERESTING ABOUT THESE OCS OTHER THAN THAT
and ontop of that; the 2 ocs were supposed to have 'muscles'..... side eye
then when i was talking to phlox we thought about "how does he view women.." AND THEN I
THOUGHT ABOUT HOW HE CALLED ME FUCKABLE

so yknow what i think he meant... he wanted to turn me into a object   like this is all i think it could mean

^^ im not lying about him having those 2 ocs and all that btw, their names were “katia”, and “athaza”

Athaza had a monochrome theme, long hair, anddddd.. She was “agent” themed? I guess i can say that, she had a gun and some headphones, a suit

Katia; “bodybuilder + engineer”, had abs showing, black, long hair (?) oh and these both are roblox avatars 📱 📱

If athaza didn’t have abs, i still dont care he was so weird about his lesbian ocs

“This is unnessacary” I DONT CAREEE middle finger emoji

The Group Chat:

Anddd that's what went on in the Group Chat! This was the last time i could "talk to him"....,

I couldn't get to the things I REALLY wanted to say to him before he left LMAO

What does he mean by "YOUR FUCKING ADDICTIVE" ?? is he saying the minors are too addictive?? THINK BEFORE SPEAKING!!! You look MORE like a pedophile trying to use big words </3

“You drew 3x more nsfw!!!!!!!!!!!!!!” even if i have bro:

You enabled it, you loved it, you wanted more, you would make comments on my body, face, my boobs and thighs, you loved making me hypersexual, you used me. You treated me like a sex object.

And don't say you didn't do anything like that, **lying only makes you look worse.**

Majority of this is your fault, I cannot look at myself the same in the mirror, i feel disgusting about myself.

YOU could've handled things properly, even if i **DID** block you so you couldn't contact me after I left that last message, please, just get off the internet.

So long ago, you were worried about your “reputation” like you were “well-known” and some type of celebrity, **YOUR NOT EVEN THAT POPULAR!!!** You hate being wrong, you want to be right so bad, you want to be the hero so bad, the one who “exposed” people who “did wrong” (when they did **LITERALLY NOTHING WRONG**), when really, you just made things worse.

Long ago, you made a document about 2 friends you had, and it was a bunch of nothing burger and it was just you going **“WAHHH WAHHH VYXIAN AND [X] DIDNT WANNA BE FRIENDS WITH MEEE SO IM MAKING A WHOLE DOCUMENT ON HOW THEY HURT MY FEELINGS!!!”** very, very childish. And you used me during that.

And then the **NERVE** to say “SOTO Member Graveyard” and “Waddle on” at the end of that document.... ngga you werent even popular at all, you **CANT** even take yourself serious, you wanted to be in the community so bad.. But now look. Your **nobody**.

Nobody to crawl to, “emo and depressed”.

**You have hurt many
You have fucked over many
You have manipulated, and used others.**

Vanta, when I say this I mean it:

I do not want to see you again, none of us do, do not try rebranding again.

Let me say that again!: you have hurt and fucked over many, manipulated and used others, **INCLUDING ME.**

Grow up, your 18! You should not be acting like a manchild! The moment we added you to that group chat you stopped doing your act and went back to your old self, **your never going to change.** Get off the internet. You may run and run, but you can't hide from what you've done.

Stop trying to play victim, stop trying to act like an hero, stop trying to make others look bad. Admit that you are wrong, you've done so much messed up things . **admit you're wrong and leave.**

and the fact you be putting emo song lyrics in your roblox bio shows you cannot even take yourself serious *at all* .and you expected us to take you serious? please be for real..

And yet, even tho I didn't show any of your NSFW DRAWINGS of what you drew of me, **you included mine in your so-called ""proof""**

And you whine about people not hearing "your side", yet whenever those you hurt try to speak back, you don't want to hear them, and want them to be silent. Why cant i talk back to you??? pussy? you wanna say shit about others but dont want them to say anything back
"LEAVE ME ALONE!! LEAVE ME ALONE!!" leave them alone then? Leave ME alone? Lmao. narcissist

soo many excuses for grooming me and everything else... shaking my head
