Hi Joe

I hope you're well. We've reached the second payout stage of the WGF Tour. On this basis, please can you gift via pro shop or MPC the following:

1350 to AllyKennedy
125 to Zant

Naturally if a player doesn't wish to receive anything, it's up to you whether you then decide to give anything to that player.

If you can reply to let me know that you've got this message, it'd be really appreciated. Please just ask if you have any questions.

Cheers
James
