Important Points to Remember:

- The intent of PSEO Act is to provide an opportunity for students who qualify to take courses that are not available at Mahtomedi High School.
- Mahtomedi High School offers many college-level courses (CIS) or courses that can earn college credit (AP). All college credits earned in high school will be subject to the transfer credit policy at the college you attend after high school.
- Students need to be aware of the daily schedules and yearly calendars for MHS and the PSEO school and proactively communicate with both institutions.
- Grades and credits are recorded on both the high school and the college transcript.
- PSEO courses are not weighted.

MHS/PSEO Credit Conversions:

.50 HS Credit = 2 PSEO Credits
.75 HS Credit = 3 PSEO Credits
1.0 HS Credit = 4 PSEO Credits
