

DIC RR

"The age of 'Ear-splitting noises' is over!

This new Rolls-Royce is an **ABSOLUTE PHANTOM** at 60 miles per hour.

Why does *The Motor* technical editor say that the loudest noise in this car is the electric clock?

Well, it's not magic, in fact it is very simple.

We refined every aspect of our setup, tuned it for optimal comfort, sophistication and elegance.

Introducing the new **Rolls-Royce Silver Cloud**.

And it is not only about the quietness of this car,

It is about tranquility and luxury.

Explore the joyful driving of Rolls-Royce Silver Cloud, and many other high-end extras!

Schedule a private test drive at our dealerships nationwide, or call us anytime at 123-987."
