To All Association Members:

This is the window PGT makes, under the specifications from our already approved window NuAir, were 3 Horizontal Rollers from the 710 series. Attached are the Florida certification documents for these windows, along with the state certification for these documents. These windows are available in aluminum finish, and enclosed is a copy of the product information from the PGT website and their warranty information. The PGT brochure is enclosed, which covers all the products they do carry.

To order the windows or get a price that would be work done with our salesman, Ron Richards. He is in this office (7984 Interstate Court, North Fort Myers) Monday, Wednesdays and Fridays. His contact information is as follows:

Work: 239-731-8300 x 6395
Cell: 239-478-6437
Email: RJR@rbsc.net
