

A Technodystopias Filmography

*Note: this is not a definitive list! And a film's inclusion on this list does not mean I necessarily endorse its quality. **Films in bold are those we'll be watching & discussing together as a class**; others are potential topics for your research project. If you're interested in analyzing a film relevant to the class that's not on this list for your project, please schedule a meeting with me to discuss!*
