

Bettendorf Middle School Student Chromebook User Agreement

By accepting the use of this device, you, the student, agree to the following:	Student Initials
I understand that my device is provided by the school district and is considered district property, just like a textbook.	
I understand that BMS administration has the right to take away my Chromebook privileges at any time for any reason.	
I will never give out personal information about myself or others, including, but not limited to, last names, phone numbers, birth dates, and addresses.	
I will keep all my passwords confidential, but understand it is appropriate to share these with my parent(s)/guardian(s).	
I will tell my teacher right away if I come across inappropriate material that makes me uncomfortable. When on the school wireless network, the district content filter will appropriately filter the Internet content. However, no content filter is capable of preventing access to all online content that is not school-related.	
I will not loan my assigned device to others; nor will I borrow anyone else's device.	
I will not touch, handle, close, power off, disturb, etc. another student's assigned device.	
I will not remove any labels, identification cards, etc. from my Chromebook or charger.	
I will leave the district-provided protective case on the Chromebook at all times.	
I will not vandalize my Chromebook by adding stickers or using any type of marking utensil (markers, pencils, pens, etc).	
I will observe all Bettendorf School District Appropriate Use Policies on home and public Wi-Fi networks. I understand that any access of unapproved content online through a district-owned device or district-provided Google account is a violation of the district's Appropriate Use Policy.	
I understand that the district has the right at any time to investigate, monitor, or review the contents of the device.	

I understand that I cannot delete my device's search history.	
I will return the device and its accessories in acceptable working order by the last day of school, upon withdrawal or exit date from the school district, and whenever requested by school staff.	
I will not use the device to access, upload, download, store, print, post, receive, transmit, or distribute: • Obscene, abusive, vulgar, threatening, disrespectful, or sexually explicit language or materials; • Materials that use language or images that promote violence or discrimination toward other people (hate literature) or that may be perceived as harassment or discrimination.	
I understand that any and all technical issues with my Chromebook are to be handled by the BMS library/media center.	
I understand that I am financially responsible for deliberate damages to my Chromebook.	
I understand that I am responsible for the cost of replacement should my Chromebook become lost or stolen.	

I hereby certify that I have read, understand, and accept the Bettendorf Middle School's Chromebook Student User Agreement and agree to abide by its provisions.
