These directions are written in the format required for the abstract of the paper for the 20th Asia Pacific Congress of Clinical Microbiology and Infection (APCCMI 2025), held on 2-4 November 2025. We advise authors to download and use this template for their abstract.

- The abstract MUST NOT exceed 250 words, excluding the title, authors and affiliations
- Abstracts must contain original work that has not previously been reported
- Abstracts may be original research, case studies, or insight and review articles
- Only the presenting author may submit the abstract
- The abstract MUST NOT exceed 250 words, excluding the title, authors and affiliations
- Full papers are NOT required
- You MUST include results or data in your abstract – you may include figures and/or tables
- Abstracts that describe plans for a study or state “results will be presented” will NOT be accepted
- Do NOT include references
- Do NOT submit abstracts with typographical or grammatical errors
- All abbreviations should be given in brackets after the first full use of the word
- All presentations MUST be in English
- Include the following sub-headings: Aim, Background, Methods, Results, Conclusions
- Use font type Arial, with single spaced lines
- Title of the paper (size 10, font type Arial, bold, centred and capitalised) and is to be followed by one blank line
- Authors' names should be written in size 10, centered, and capitalized, with the first and last names written in full
- Authors to be separated by commas, presenting author marked with an asterisk, and individual authors marked with superscript number to distinguish the different affiliations
- Authors' affiliations (size 10, italic, centred) to be written on separate lines when there are more than one and the last to be followed by one blank line
- Abstract text (size 10) to be justified on middle; paragraphs are not to be indented, only separated by one blank line
- Please name your document as follows prior to submitting: Names of Authors (as per author format above) – Abstract Title
- Abstracts will NOT be reviewed if not in the specified format
