

Name That Book 2021-2022 K-2, 3-5, MS

Parents,

Please let me know about your child’s interest in Name That Book. Fill out the information below and have your child return it to their teacher.

If your child hasn’t started reading the books yet, please have them begin reading. When I get your information, I will send more information to you. This will include how to make quotes for the books that are read.

There will be a qualifying test, for lack of a better word, early in October for K-2 and 3-5 to form a practice group to study, practice, and form the team. After this group is formed, we will meet after school to get ready for the contest in the spring.

Books that have a star by them will be the books used for the qualifying test.

Middle school NTB has an elective class for those that are interested. If your child is not in the class and wants to be, please let me know as soon as possible so I can see if their schedule can be changed. MS NTB IS OPEN to students not in the class. We will probably start to meet after school sometime in September to prepare. The qualifying test for MS NTB will be announced later in the fall.

Email me at [egavin@houstonisd.org](mailto:egavin@houstonisd.org) if you have questions. Please return the form below so I can get your child (and you) in the NTB roster.

Thanks, Evelyn Gavin, Rogers Librarian

Return as soon as possible to your child’s teacher who will get it to me.
