

USFWI 2026-2027 Booklist

The 2026-2027 Reading List books are now available. There will be one copy of each book on the list at Western Yearly Meeting Session at Quaker Haven Camp on June 14-18. You can order books at that time or you may use the order form which is attached and send to me by email or snail mail. Do NOT send money at that time. The total order will be sent to Barclay Press on July 15, 2026.

When the ordered books have arrived, I will send your books to you. Payment is not due until you receive your books.

You can also order *The Blueprints* (our program book) for \$10.00 each and Program Calendars for \$1.00 each at the June Yearly Meeting session. The Blueprints and Program booklets, will be sent at the same time as the books from the Book List.

I have attached a summary of the books.
