

Notes:

- 10" indicates that it's 10"
- <sup>FD</sup> Indicates that the vinyl is a flexi disc or a variant of it
- + (Extra thing) indicates that it comes with something other than vinyl (Booklet, poster, lyrics sheet, etc.)
- † indicates that the album has a gatefold cover
- <sup>TRI</sup> indicates that the album has a trifold cover
- # indicates it either is a box set or part of a box set
- C (color name) indicates that it's on colored vinyl
- Previous owner(s): Name is used if I know who previously owned the album
- If an album was sold both in mono and stereo, it will be noted via either Mono pressing or Stereo pressing
- Quite honestly, I don't care what LPs in my collection are reissues or not, therefore they will not be denoted

## Albums (LPs)

| Artist(s)                          | Album                                                                                    | Record label | Released |
|------------------------------------|------------------------------------------------------------------------------------------|--------------|----------|
| 0-9                                |                                                                                          |              |          |

## Statistics

Number of vinyl from the...

1. Sixties:
2. Seventies:
3. Eighties:
4. Fifties:

Number of vinyl from the record label... (I do conflate both the original record label and variations of it. For example, I consider both Columbia and Columbia Special Products to be one and the same.

1. Capitol:
2. Columbia:
3. RCA:
4. Apple:
5. A&M:
6. MCA:

Number of vinyl from a certain artist:

1. The Beatles:
