

To our valued Sponsors and beloved Benson Community:

Benson Little League would like to ask for your support of this vital community focused program now and for years to come.

Established in 1967, Benson Little League operates as a 501c(3) non-profit, and is run by volunteers from the community. The league offers an outlet for children to build lifelong skills and learn valuable lessons that will enhance their development as contributing members of our community. We are devoted to enriching the lives of our youth and fostering a love for the game. Along with our volunteers, sponsors and donors are a crucial part of our team.

Benson Little League believes that all children, regardless of their family's financial status, deserve the chance to pursue their dreams. Registration fees are kept as low as possible and will only cover a portion of our costs. The remaining costs are covered by donations from our wonderful sponsors and donors. We are unique in that we offer a 'pay what you can' registration fee that enables families to register their children for free, or at reduced rates. Your generous sponsorship dollars provide an opportunity for children to learn the games of baseball and softball, understand the value of teamwork, and establish childhood memories that will last a lifetime.

Fundraising helps pay for field maintenance and utilities, uniforms, baseballs and other equipment, umpires, as well as insurance and other fees. Most importantly, we strive to provide community and playing opportunities for every child, and your financial support helps keep our registration fees affordable.
