

Hello Elkford.

My name is John Baher and I am running for Elkford Council.

My wife and I moved to Elkford a year ago and we enjoy what Elkford has to offer. Prior to moving here, I have lived in the Elk Valley for 57 years having grown up on our family farm between Sparwood and Elkford. The Baher name runs deep in the valley as my Great Uncle provided the land where Mountain Meadows Golf Course is now located and enjoyed by many.

We currently have a blended family of 4 children, 3 sons, 1 daughter, and 3 grandchildren.

I have served on council for the District of Sparwood for the past 12 years. My educational background is in Business Management with a major in accounting.

Prior to serving on council, I owned the A&W Restaurant in Sparwood from when it opened in 1999 until we sold it in 2012. For the past 7 years, I have been employed at Elkview as a RSE Warehouse Person.

I believe in a strong community and putting community and its residents first. I have always been approachable and available to speak with you regarding any issues that you may have. I bring with me knowledge and an understanding of district policies and guidelines. I may not have all the answers, but I will do my best to find them for you.

I believe in accountability and transparency in your elected officials and if elected, I look forward to serving you for the next four years.

Thank you!

John Baher
