

Dear Coach/Club:

You are invited to work with the OAWA in partnership with Wrestling Canada Lutte and Sport Canada to promote Amateur Wrestling and your club locally!

How?

Run a *Wrestling Canada Try-it Day!*

These days are meant to be outreach into your community to promote wrestling locally. This could be done at schools, local festivals or fairs, shopping malls or wherever you can think of to promote the sport in your community. This is a Youth-focussed program.

Each Club can qualify for a grant of up to \$1,500.00 to host your Try-it day. To earn that grant, your event must have a minimum of 25 participants take part in your try-it day AND complete the online survey we will provide a link/QR Code for (takes 2 -3 minutes to complete).

Clubs who have more participants take part can qualify for an added hosting grant of \$10.00 per participant up to a maximum of 25 extra participants taking part and completing the survey per event.

The Hosting Grant is intended to cover any costs you may have to set up your try-it day. Costs like moving mats, local promotion, facility fees if needed, honoraria for presenters, etc. Clubs must also provide a snack for all participants (maybe a freezie if it's hot, or something like that).

Clubs can bid to host a maximum of two try-it days on the initial offering. Submit your bid by **July 15, 2024**. Clubs wishing to host more than two events will be accommodated if there are still spots open after the initial offering.

How to Apply?

It's easy! Send a memo or e-mail to OAWA with your proposal for a Try-it Day.

- ❖ Where will you host it
- ❖ When
- ❖ Estimated participation
- ❖ Who will run it (organizers and presenters please)

Please submit your proposal to proposal to admin@oawa.ca by July 15, 2024
