Wildfire Ready Action Planning Virtual Workshop

Agenda

Thursday, May 1, 2025, 10:00am-12:00pm

Workshop Outcomes:

1. Understand basics of Wildfire Ready Action Plans and the purpose of the Wildfire Ready Watersheds program.
2. Engage with peers to learn about their process, lessons learned, and recommendations from WRAP planning.
3. Build a community of practice among WRAP leaders, develop relationships, and collectively enhance work on WRAP planning throughout the state.
4. Feel confident and better equipped to advance Wildfire Ready Action Plans in your local community.

10:00 am
10 mins

Welcome and Agenda Overview
Chelsea Silva, River Network

10:10 am
30 mins
