

Hi, my name is Leisha Cable and I am TRE's Art teacher. This is my 9th year at TRE and my 7th year in Art! I love helping students discover that *everyone* is an artist. In our classroom we paint, draw, sculpt and imagine new worlds together. My favorite part of teaching art is watching creative ideas come to life- whether it's a sparkly masterpiece, a wiggly clay creation, or a colorful painting that tells a story. I believe that art is for exploring, making mistakes, and having fun along the way.
