Interactive Activity: Vision Board for Your Art Career

- Write down your career aspirations and milestones you'd like to achieve.
- List 3 actionable steps to achieve each milestone.
- Share your vision with small groups for feedback and encouragement

Worksheet

Step 1: Write Down Your Career Aspirations and Milestones

Think about where you want your art career to go. What are your big goals and dreams? Write down your career aspirations and any milestones you'd like to achieve along the way.

Career Aspirations:

Step 3: Share Your Vision with Small Groups

Now that you've outlined your aspirations and action steps, share your vision with a small group for feedback and encouragement.

Questions to Consider During Sharing:

- What part of your vision is most exciting to you?
- Are there any steps you can refine or add to make them more achievable?
- How can your group offer support or hold you accountable?

Feedback from Group:

(Write any feedback or thoughts your group shared here)

End of Activity:

Review your career aspirations and the actionable steps you've outlined. Take this vision with you as a reminder of where you're heading and how you will get there
