EDISON CHARGER...

Good Morning Edison,

I hope you're all enjoying this stretch of beautiful weather and easing into a relaxing weekend. As we move into a busy part of the school year, we have many important events coming up. Please be sure to read through the entire newsletter so you don't miss any updates or opportunities.

We are also still looking for parent volunteers to support Safe Delivery. Your help makes a tremendous difference in keeping our morning drop-off running smoothly and safely for all students. If you're able to lend a hand, we'd love to have you join the team.

***Safe Delivery Sign Ups Needed:**

Thanks to all of the students and adult volunteers who have signed up to help with Safe Delivery. We are accepting volunteer signups for April & May and still **REALLY** need more adult volunteers to help supervise students. Please use this link to sign up: [Safe Delivery Volunteers \(Students and Adults\) Edison 2026](#)
Questions? Contact Mr. Grendon at ryangrendon@burbankusd.org. Thanks for all you do to help keep our Edison community safe!

***Edison Growing Garden**

The Edison Garden began last year with our Founding Families Wall, celebrating the families who helped bring this special space to life. Now we're continuing that tradition with Growing Bulbs. Hand-painted light bulbs that extend down the Sensory Garden wall.

When you sponsor a bulb, your family's name becomes part of this growing display while helping support hands-on garden, sustainability, and outdoor learning experiences for Edison students.

Growing Bulbs are available for purchase in the spring only and space is limited.

Large Growing Bulb - \$1000

A prominent bulb on the Sensory Garden wall with your family name painted inside.

Medium Growing Bulb - \$500

A medium-sized bulb painted on the Sensory Garden wall with your family painted inside.

🌱 Plant your family's name in the garden and help Edison continue to grow. [Link to buy a bulb](#)

💛💙💚 There are many ways to support the Edison Garden and Sustainability Program. If sponsoring a Growing Bulb isn't possible right now, Adopt-a-Bed, donating supplies, or volunteering are all wonderful ways to help our students learn and grow.

Become more involved by emailing garden@weareedison.org to join the Garden & Sustainability Committee, or our Bright Green Team of volunteers to be contacted when we have garden projects that need community support.
