OBJECTIVE:

1. Strengthen Visionary Leadership for Future Aviation Challenges
2. Enhance Team Collaboration and Collective Decision-Making
3. Promote Innovation and Agility in Airport Management
4. Build Responsible and Sustainable Leadership Practices
5. Develop Human-Centric Leadership for High-Performance Culture

DESCRIPTION:

In an era where aviation is no longer only just about reaching destinations but redefining

journeys, AeroLeaders – Leading Above the Horizon brought together the senior management team of Chandigarh International Airport Limited for a transformative Management Development Program. Organised by the Centre for Executive and Professional Education, the program set the stage for leaders to rise beyond operational excellence and embrace a future shaped by vision, agility, and collective leadership. By strengthening leadership and team effectiveness, the program contributes to improved productivity, better workplace culture, and organizational growth. The program encouraged innovative thinking and strategic leadership required for managing modern, technology-driven aviation infrastructure. The training strengthened collaboration, coordination, and collective decision-making among departments and stakeholders essential for airport functioning. Encouraging capacity building, knowledge sharing, collaborative teamwork, strategic partnerships, and leadership alignment among senior management. Strengthening awareness on sustainability, efficient use of resources, and responsible operational practices among the senior management team.

OUTCOMES:

1. Leaders gained strategic clarity for future-ready airport management
2. Improved coordination among departments and stakeholders
3. Increased readiness to adopt digital and innovative solutions
4. Greater awareness of sustainability and responsible operations
5. Stronger leadership mindset focused on people, performance, and purpose
