

Jr. Huskies Cross Country - Summer 2021 Session

Join the tradition!

Open to all boys and girls entering 4th through 9th grades for the 2021-22 School Year.

Members and coaches of the Hale high school cross country team are excited to host the summer Jr. Huskies Cross Country Program. Athletes from the men's and women's high school team will instruct participants and potential future Husky Harriers on different training methods while creating a love for the sport of running. The program is great for any type of kid, whether they are in multiple sports or this would be their first ever sport. While you will become a better athlete through the program, the ultimate goal is to become a better person and learn how to build up and care for others.
