

Maths Careers Events Happening This Semester

April

28th April UMAS Swiss Re

Time: 12-13pm

Location: Schuster Building, Blackett Theatre

TBC UMAS Events

UMAS are planning the following events:

- IFOA: Machine Learning in Insurance
- LSE Actuarial Conference

They will be confirming dates and times soon. Follow UMAS on Instagram at @uom.actuarialsociety and become a member on the SU website for updates and registration links once they open.

TBC MUDSS Hackathon x Peak AI

TIME: TBC

LOCATION: Peak AI's Manchester Office: Neo, Charlotte Street, Manchester M1 4ET

MUDSS plan to host a hackathon closer towards the summer. To keep updated about the hackathon, MUDSS' weekly Wednesday workshops and more, follow @mudss_soc on instagram and become a member on the SU website.

This document will be updated throughout the semester - watch this space for more updates.

Looking for something not covered by the above?

Don't forget that there are many centrally organised events (open to students from all degree programmes) organised by the Careers Service. You can find details of more events and opportunities on [CareerConnect](#)
