Motion by Fred second by Siena.

Review school academic performance data to "identify critical academic needs". Set goals for land trust plan.

-Discussion on lower grade literacy scores.

-Council is interested in writing and spelling. There are some challenges being able to assess writing since we do not have writing assessments for lower grade assessments.

-Information for kindergarten orientation

-Acadience reading k-3 87% of students will be on or above grade level with end of year acadience.

Identify action steps that require the use of LAND Trust funding that are needed to support goals, then approve these action steps through motion.

-Tiered small group time daily

-Use of Rigby Readers and 95 percent for intervention groups

-Share resources and instruction for incoming kindergarten students.

-Use take home kits for k & 1 with games and resources and share the family newsletters.

-Regular progress monitoring.

Share more information with parents on how to support students who are receiving the letter notifying them they are not on grade level.

-Fred made a motion to approve landtrust goal and action steps. Seconded by Denise.

Approve Land Trust Plan for 25-26 school year

-Discussion about paying for .5 FTE to get to 9 teachers and using trustlands funds for this.

-Motion by Nikki and second by Nikki to use LandTrust funds for

Discuss proposed FTE and staffing plan options

-Looked at staffing options. Students would shift to different classrooms.

-Teacher workload would be more equitable so they could specialize in one content area.

-Do we have to offer half day kindergarten? Yes, we do.

-Motion to adjourn by Fred seconded by Nikkie.
