

CALL TO ACTION #5: ONGOING: Resist Escalation of ICE Raids and Detentions	
<i>The majority party in the House and Senate has handed over more than \$171 billion to supercharge mass deportation operations.</i>	
Background:	<p>Administrative officials are rushing to build more ICE tent camps. Their \$171 billion budget now exceeds the total immigration enforcement budgets of the Obama, Biden, and current administrations combined. Many budget reconciliation provisions do not go into effect until 2026 or later, but ICE's funding increase is immediate.</p> <p>Both Congress and state governments must oppose the current administration's push towards an authoritarian police state, and protect its communities from this terrifying assault.</p>
