

To Whom It May Concern:

Please excuse _____ from work/class/school early on Friday, March 14.

The Dordt men's and women's basketball teams are hosting first-round games in the NAIA national tournament. The men's game tips off at 3:30 p.m. followed by the women's game at 5:30 p.m., and we need the full support of Defender Nation to support these groups of phenomenal student-athletes.

Thank you for your understanding and go Dordt!

Sincerely,

Dash

Dash, the Defender

P.S. You're also invited to join us in support of Dordt on Friday afternoon!
