

Celestia's Ballad

B Abm A E

B Abm A E

You've come such a long long way,

B Abm A E

And I've watched you from that very first day,

B Abm A E

To see how you might grow, to see what you might do,

B Abm A E

To see what you've been through, and all the ways you've made me proud of you.

B Abm A E

B Abm A E

It's time now for a new change to come,

B Abm A E

You've grown up, and your new life has begun.

B Abm A E

To go where you will go, to see what you will see,

B Abm A E

To find what you will be, for it's time for you to fulfill your destiny.
