Fax: 908-876-3436

April 2, 2024

Dear LVMS Families,

As we move closer to the final quarter of the 2023-24 school year, with the continued goal of making improvements to Long Valley Middle School, we would like to gather the perspectives of our LVMS Panthers. To that end, we welcome their feedback via submission of a student "Climate, Culture, and PAWS Survey." This survey has been developed by the LVMS Administration, with the assistance of our Guidance Department, and a select group of teacher leaders. A goal of this survey is to provide us with basic information about the students' current experiences at LVMS, and to gather ideas from students that might enhance their middle school experience and opportunities in the future. The survey considers several topics dealing generally with LVMS life; survey items ask students to contribute their thoughts using scaled responses ranging from "Strongly Disagree" to "Strongly Agree".

Topics included in the survey are as follows:

- LVMS Clubs & Activities
- Extracurricular Activities
- LVMS Sports
- School Climate
- School Community & Peers
- Academics Reflection
- Technology Available to Students
- PAWS / We Are PANTHERS! Program Feedback

Please [CLICK HERE](#) for a PDF Copy of this survey for your review. This survey will be given to students the week of April 15, 2024, with submissions being made electronically. We look forward to receiving results from our students so we can continue to build upon our positive academic environment and offer our students the best experiences through their middle school years.

Should you have any questions, please don't hesitate to contact your child's guidance counselor. Additionally, if you do not want your child to participate in this survey, you may complete an opt-out form by [CLICKING HERE](#).

As always, thank you for your partnership and commitment to making LVMS a great place!

Sincerely,

Mark S. Ippolito
LVMS Principal

Michael Mirabella
LVMS Asst. Principal
