Music Lab I (Guitar) Syllabus

Music Lab I (Guitar) is designed as an entry level guitar class. In this class, we will learn basic elements of guitar playing as well as the basic elements of music notation and music construction

Materials

1. Chromebook or school issued device
2. Cleaning Cloth
3. Guitar Pick
4. Guitar (will be provided)
   Taking care of your guitar is an important part of class including string replacement, proper storage, and tuning.

In this class, you are expected to:

1. Attend class and be on time every day (again, attendance is key for success)
2. Play only when instructed to do so
3. Work well independently
4. Be positive and encouraging to other students (The Welcome!!!!)
5. Work in a group

Grading:
Students will be graded with the following methods
- Written work and quizzes
- Playing exams
- Effort and Participation (to be graded on a weekly basis)
- Final project [including all of the necessary elements

Make up work
Students are permitted to turn in late assignments in the class. However, because instruments are not to be taken home, students will have to arrange times to make up any sort of work with the instructor. Work may be turned in within a two week window after the due date. Beyond this point the grade will become a Z.

Tutoring
Students may wish to get lessons on the guitar. Arkansas Musicworks offers lessons. However, students who wish to do this must supply their own instrument. Any extra practice that a student wishes to have must be done during flex.

Google Classroom
4th hour- jpm5m6ln

Contact
Please feel free to reach out about any questions or concerns you might have. Email is the best way to reach me but you may also wish to call the high school directly to reach me. (479-254-5121)
