

Mathematics End of Year Report Card Standards

Operations and Algebraic Thinking

- Represents and solves one and two-step problems involving addition and subtraction within 100
- Demonstrates fluency with addition and subtraction facts within 20
- Understands odd and even numbers

Numbers and Operations in Base Ten

- Counts within 1000 from any given number, skip counts by 5s, 10s, and 100s
- Demonstrates an understanding of place value within 1000
- Mentally adds or subtracts 10 or 100
- Uses place value understanding and properties of operations to add numbers within 1000 using concrete models
- Uses place value understanding and properties of operations to subtract numbers within 1000 using concrete models

Measurement and Data

- Measures and estimates lengths in standard units (inches, feet, centimeters, meters)
- Tells and writes time from analog and digital clocks to nearest five minutes
- Solves money word problems (dollar, bills, coins)
- Draws and organizes graphs to analyze data

Geometry

- Recognizes and draws shapes having specified attributes
- Partitions circles and rectangles into equal parts and describes using words ‘halves’, ‘thirds’, ‘half of’, etc.
