School Compact

Acknowledgement

The PK-4 students, faculty, parents/guardians and principal of MSAD #53 Elementary Schools (Manson Park and Vickery) have high expectations of themselves as individuals and as a school community. In recognition of these expectations, we will strive to provide the highest quality academic experience for the children in our schools. We will work hard to build a strong foundation that encompasses academics, athletics, and the arts. In order to provide one voice for the school community that summarizes our goals and objectives, the schools and parents have developed this compact. It sets forth our understanding of the responsibilities involved in this partnership.
