Subject: Jungkook's Instagram Account Hacked

Dear Bighit Team,

Jungkook's Instagram (bowwow\_bam) account has been compromised by hackers, jeopardizing his privacy and security. As a valued member of the BTS community, Jungkook's online presence is crucial, and this breach is a matter of great concern.

The recent activity happening on account is not aligned with our core value. I kindly urge you to take swift action to rectify this issue and secure Jungkook's account promptly. Take immediate actions to safeguard Jungkook's personal information and restore the integrity of his online presence.

Best regards,

[ARMY]
