Competition Details

Schedule:

The schedule is subject to minor adjustments. Please refer to the championship webpage for all up to date information:

<https://www.athleticsontario.ca/events/ontario-indoor-u18-senior-championship>. A revised schedule will be posted on the Saturday following the regular entry deadline. A final schedule will be posted on the Monday prior to the start of the championship.

Call Room:

A call room will be used for this championship. All athletes must go through the call room during the scheduled call time for their event. Officials will usher them to their scheduled event.

The call room schedule will be posted on the championship website.

General timeframes for athletes to report to the call room are outlined below. Please ensure you review the call room times for each athlete's event to ensure they are arriving at the call room in time.

Event	Call Room Open	Call Room Closes	Ushered to Event
Track	0:25	0:10	0:05
Pole Vault	1:05	0:50	0:45
Other Field Events	0:55	0:40	0:35

Please note that the 200m on Sunday will have a declaration requirement. Athletes that intend to race the 200m will need to declare at the declaration desk by the entrance to the fieldhouse. If an athlete does not declare, he/she will be scratched from the event. Declarations will close 1 hour prior to the start time of each age division.

Awards:

Gold, silver, and bronze medals will be awarded to the first three finishers from Ontario in each event and relay.

Non-Ontario athletes will be eligible for medals. These non-Ontario athletes will not offset medal placements for registered Ontario athletes (example: a non-Ontario athlete that places first in an event will receive a gold medal. If second overall was a registered Ontario athlete, he/she would also receive a gold medal as they were the first overall

registered Ontario athlete. The process continues until three registered Ontario athletes are awarded medals).

Scoring:

The top 6 athletes in each age division and championship event will earn point for their clubs as follows:

1 st – 7 points	2 nd – 5 points	3 rd – 4 points	4 th – 3 points
5 th – 2 points	6 th – 1 point		

Lane & Heat Assignment:

In individual track events, lanes, heats, and sections will be assigned according to the rules of WA/AC/AO.

In all championship relay races, the heats will be assigned based on seed performance. In each heat, there will be a draw for lanes (randomized lane assignments). Lane 1 will remain vacant for top sprint sections where applicable.

A list of heats and lane assignments will be posted at the start area for each event.

Protests:

All Protests must be made as outlined in WA rule 146. In all cases, protests must be filed within 30 minutes of the official announcement or release of the results. If no protest is received within the above-mentioned time limit, the result as released will stand. If a protest changes a result, 30 minutes will be allowed following the announcement or release of the decision for appeals to be brought forward. The decision of the referee may be appealed to the Jury of Appeal whose decision is final. The cost of \$25.00 will be returned if the protest is upheld or not considered frivolous by the Jury.

Appeals must be completed using the following online form:

Seed Times:

Indoor 2025 (starting October 1, 2024), outdoor 2025 and current 2025 indoor performances appearing on the Athletics Canada rankings will automatically be accepted.

Outdoor/over-sized track performances must be converted for use as an indoor seed. Times will be converted to indoor times using the chart below (e.g., 0.5s added to outdoor/over-sized track 200m time; 1.1s added to outdoor/over-sized track 400m time). The fastest/top sections must have validated seeds or correctly converted performances. **Performances achieved in competitions that do not appear on Athletics Canada rankings will also be accepted on a case-by-case basis. Proof of performance (link to posted results) must be sent to Randolph Fajardo randolphfajardo@athleticsontario.ca.**

.... seed time and conversion regulations continue next page

If using converted times, please indicate where and when the performance was achieved when entering the seed into Trackie. Please also email this information to randolphfajardo@athleticsontario.ca to expedite seed validations. Any seeds that fail to produce validation of the performance will result in a NT. Seeds for field events do not need to be converted or verified. As a guide for coaches who need to decide which performance to submit for seeding purposes, please see the conversion chart on this page and the following page.

Example:

Event	Category
1500m	U18
Seed ☒ Verify Seed ?	Location / Date
4 : 38 . 00	Mile 5:01 CONV / https://athleticsontario.ca

Use the conversion factors below. It is discouraged to convert more than once. For example, converting a 1500m performance to a 3000m performance requires two conversions, 1500m > 2000m > 3000.

Performances from similar events will be accepted and will be converted:

Event	Acceptable Alternatives for Seed Purposes
60m	50m indoors; 100m outdoors
150m	200m indoors; 200m outdoors/over-sized
200m	150m or 300m indoors; 150m, 200m, 300m outdoors/over-sized

400m	300m or 600m indoors or outdoors/over-sized
800m	600m or 1000m indoors or outdoors/over-sized
1200m	800m, 1000m, 1500m indoors or outdoors/over-sized

3000m	2000m indoors or outdoors/over-sized
60mh	50mh indoors or outdoors /over-sized
