

Haycock Fit Games FAQs

What is the Fit Games?

- This is the major fundraiser the PTA leads every other year for Haycock. In the past this has been our Fun Run or Glow Run, but this year we are trying out an exercise event with games, challenges and trivia! Our school fundraising goal is \$45,000. Your student will raise money for minutes they will exercise during specials time on October 16.

What do I need to do?

- Register your family on [MYBOOSTER.COM](https://mybooster.com) and make a donation on behalf of your student(s).

When do I need to do this?

- Try to register before October 9 (although registrations will be accepted throughout the fundraiser) and make your donations before October 16. Your student will be eligible for different nightly incentives if you register and donate—it takes less than 3 minutes to register!

Why do we want to participate?

- This is the big fundraiser for the school, and your participation goes directly toward purchasing school needs and helps support many Haycock programs and events. Plus, it builds teamwork and is FUN!

Will my student still be able to do the Fit Games if we don't register?

- Yes, absolutely. No one will be left out. Registered and participating students will be eligible for different incentives and prizes.

Where will the Fit Games take place?

- The Fit Games will be held in the gym on October 16 during specials time. You are welcome to come and cheer them on!

We will be out on Fit Games day. Should I still participate?

- Absolutely! Even if they will miss the actual Fit Games, registering and donating will still mark your student eligible for the whole-school and class incentives.

What kinds of prizes are available?

- This year, we are excited to offer lots of special prizes for students—some that are available even just for registering. Including free passes to 5 Wits, Level 99, Sandbox VR, Beat the Box DC and Scramble as well as gifts from Child's Play and a gift card from Doodlehopper!
- Class and grade level prizes are also available and will be available for all students regardless of participation. These prizes include an in-class baking party from Giggles & Sprinkles as well as a pizza party from Badd Pizza!
- The principals and teachers have agreed to participate in an inflatable costume obstacle course if we reach our \$45k fundraising goal!
- If we reach our goal, every student registered will receive a day pass to Great Wolf Lodge!
