12/10 agenda

MASS Core and what that is and the benefits to the students

We need to put Math as a 4 yr requirement to be in compliance

Asked members to anecdotal ask around what people thought about math being a 4 yr requirement and what courses they would like.

Possible New course offerings for 25-26 school year

11/12 Agenda

MASS Core and what that is and the benefits to the students

We need to put Math as a 4 yr requirement to be in compliance

Asked members to anecdotal ask around what people thought about math being a 4 yr requirement and what courses they would like.

School improvement plan:

We discussed the goals of the district and how those feed into the SIP

10/8 Agenda--Mass Core/School Improvement plan

MASS Core and what that is and the benefits to the students

We need to put Math as a 4 yr requirement to be in compliance

Asked members to anecdotal ask around what people thought about math being a 4 yr requirement and what courses they would like.

School improvement plan:

We discussed the goals of the district and how those feed into the SIP

PAC/Sr. Events

Looking at how PAC can be of help on senior events and bring back the Sr. bbq during sr

week instead of pizza or breakfast. Russ was going to get in touch with Aaron Clements (class advisor)
