Serial Numbers

All serial numbers of tires purchased will be recorded for weekly classes.

Tire Altering

- No heating, soaking, softening, grinding, buffing or changing the composition and character of tire is allowed unless specified in class rules.

Tire Purchase & Rules

- All tires for WEEKLY CLASSES must be purchased from Hawkeye Downs
- Tires may be purchased at Wednesday night practice and race nights. Other times must be worked out with HD office and must work in their schedule.

Late Models (Hoosier D-800)

- You may purchase up to SIX tires for your bank to start the season.
- You may purchase ONE NEW TIRE EVERY RACE after the Second Race.
- Must start the Feature with the same tires you start Heat
- Previous bank tires are eligible for 2024
- New competitors coming in after the second event of the season may only purchase 4 tires to start their tire bank and must start at the back of the invert if using all 4 new tires or if you only use two new on the first night of competition and two used with 4/32" wear on them you can start where you qualify. **After June 1, a new car must start with two new and 2 used with 4/32" wear.** All tires used in competition, (heats,dash, feature, etc.), must come from that Competitor's tire bank. You may qualify and race on any combination of tires from your bank. Tire bank follows the **Car**. Used tires entered into tire bank will be counted as new tires. (Flat tires will be handled on a case by case basis, any replacement tires will be based on usage/age of the flat tire) Hoosier D-800 are available for purchase at the track. (Special Events Subject to additional Tire allotment)

Sportsmen (Hoosier D-800)

- You may purchase up to SIX tires for your bank to start the season
- You may purchase ONE NEW TIRE EVERY OTHER RACE after your original SIX after the THIRD race.
- Previous bank tires are eligible for 2024
- Must start the Feature with the same tires you start Heat
- New competitors coming in after the second event of the season may only purchase 4 tires to start their tire bank and must start behind the invert if using all 4 new tires or if you only use two new on the first night of competition and two used with 4/32" wear on them you can start where you qualify. **After June 1, a new car must start with two new and 2 used with 4/32" wear.** All tires used in competition, (heats,dash, feature, etc.), must come from that Competitor's tire bank. You may qualify and race on any combination of tires from your bank. Tire bank follows the **Car**. Used tires entered into tire bank will be counted as new tires. (Flat tires will be handled on a case by case basis, any replacement tires will be based on usage/age of the flat tire) Hoosier D-800 are available for purchase at the track. (Special Events Subject to additional Tire allotment)

Hobby Stock (Hoosier 10410790,10414790,10415790)

(Flat tires will be handled on a case by case basis, any replacement tires will be based on usage/age of the flat tire) Hoosier 790 are available for purchase at the track. (Special Events Subject to additional Tire allotment)

Race teams will not get extra tires for Hawkeye Downs weekly competition, unless approved by track and other competitors

Race teams can buy tires for non-Hawkeye Downs races.

If a team elects to sell or give used tires to another team, both teams must notify HD Staff. Used tires then given or sold to another team must stay with that team

Penalties for breaking any of the tire rules may result in disqualification from event, loss of purse money and points.
