PROFESSIONAL SUMMARY

Mobile App Developer with 4+ years of experience creating high-performance Android and iOS applications. Proficient in Flutter and React Native, with advanced expertise in native Android development using Kotlin, including platform channel integrations to extend cross-platform apps. Skilled in building scalable, cloud-enabled solutions with Firebase and AWS, delivering pixel-perfect UIs from Figma, and implementing secure APIs with CI/CD pipelines for seamless deployment.

CORE TECHNICAL SKILLS

- Languages: Dart, JavaScript (ES6+), TypeScript
- Mobile Development: Flutter, React Native, Native Android (Kotlin), Android & iOS platforms
- Cloud & Services: Firebase (Firestore, Push Notifications), AWS
- Tools & Practices: Git, Postman, CI/CD, App Store Deployment (Google Play, Apple Store)
- Other Expertise: RESTful API integration, UI/UX collaboration (Figma), Secure coding & mobile authentication

SOFT SKILLS

- Exceptional communication and collaboration
- Strong leadership and problem-solving skills
- Proactive, detail-oriented, and adaptive to new technologies

WORK EXPERIENCE

Mobile App Developer - OmoSafe

A parental control and digital safety mobile application designed to help parents monitor and manage their children's device usage across Android and iOS. The child-side app is fully developed in Kotlin to leverage native Android capabilities, ensuring high performance and secure real-time interaction.

Key Contributions & Achievements

- Designed and implemented parental control features, including remote locking of child apps, websites, and screen time management.
- Built keyword monitoring for online activity, enabling proactive content filtering and child protection.
- Leveraged Android APIs such as Foreground Services, WorkManager, UsageStats, and Accessibility Services to enable app monitoring, job scheduling, background processing, and real-time device control.
- Developed admin permission modules for secure parental authorization and role management.
- Implemented real-time app communication between parent and child devices.
- Ensured secure authentication and data handling practices to protect user privacy.
- Successfully deployed and published the app on the Google Play Store.

Mobile App Developer - FikeFit, Brazil | July 2024 - November 2024
https://play.google.com/store/apps/details?id=com.fikefit.FikeFit

- Led the development and deployment of a React Native mobile app, achieving successful publication on the Play Store and Apple Store.
- Integrated offline access, downloadable content, and multimedia playback functionalities.
- Delivered multilingual support, enabling global adoption and enhancing accessibility for diverse demographics.
- Integrated advanced features such as Apple Pay for subscriptions and Brazilian-specific payment options.

Mobile App & Frontend Tutor - Techmita Hub, Akwa Ibom, Uyo | February 2024 - October 2024 (NYSC)

- Mentored trainees on mobile development with React Native, Flutter and frontend development using React.js.
- Facilitated hands-on projects, emphasizing best practices, code optimization, and independent problem-solving.
- Promoted teamwork and strategic thinking among learners.

Full Stack Mobile App Developer - Premium Model, Lagos | January 2023 - February 2024
https://premiummodelsapp.com
https://play.google.com/store/apps/details?id=com.premium.models

- Led the development and deployment of web and mobile applications for the premiummodelsapp, achieving successful launch.
- Optimized code architecture for improved performance and maintainability.
- Managed VPS server deployments to ensure application scalability and reliability.

EDUCATION

Bachelor of Science (BSc) in Computer Science - AFRICAN INSTITUTE OF SCIENCE ADMINISTRATION AND COMMERCIAL STUDIES, LOMÉ, TOGO | 2023

CERTIFICATIONS

- **NYSC Discharge Certificate** – 2024

PROFESSIONAL CERTIFICATES

- **Proficiency Diploma in Project Management** - MSME Institute of Managements & Professional Studies AMIMPS (2024)

HOBBIES

Building app prototypes and exploring emerging technologies.
