

Planificar um projeto eTwinning

Algumas sugestões:

1. Crie um documento partilhado (ex. no Google Drive) com a grelha de planificação do projeto.
2. Obtenha um link partilhável mas em formato editável.
3. Partilhe esse link com os potenciais parceiros eTwinning. Pode partilhar o link através do fórum de parcerias ou através da mailbox do eTwinning.
4. Peça a cada parceiro para dar o seu contributo para a elaboração da planificação. Para que se torne mais claro o contributo de cada um, sugira aos parceiros que cada um escolha uma cor diferente para escrever.
5. Estabeleça um prazo para a recolha dos contributos e discussão da planificação.
6. No fim desse prazo terá a planificação elaborada e, quando for registar o projeto, apenas terá de "copiar" a informação que se encontra nesta planificação e "colá-la" no formulário que lhe surge no eTwinning Live.

Grelha de planificação do projeto, tal como aparece no eTwinning Live:

Title: Maximum 250 character	
Enables eTwinning Plus country members to be added to the project (Yes / No)	
Short description: (Type the description of your project, be clear and use keywords to help people to find you) Maximum 1000 characters	
Languages: (You can choose more than one)	
Partner country:	

Teacher partner:	
Schools:	
Pupils: (What is the age range of the pupils who will participate in the project?)	
Number of pupils: (How many pupils altogether are going to participate in the project?)	
Subjects:	
Time: (How large is the project?)	
Aims: (Try to be specific, particularly in terms of competences and skills you hope your pupils will gain through this project. Refrain from stating too abstract concepts such as "European Dimension of education" or "Intercultural communication".) Maximum 1000 character	
Work process: (State how you intend to work with your partner schools and how responsibilities are shared. Give an approximate calendar of activities, state how frequently you will work with your partner; indicate how you intend to involve your pupils; if you intend to create teams of pupils of different schools, and other relevant information.) Maximum 1000 character	

Expected results: (Indicate here if you are planning a final product such a public Twinspace or other resources. You might envisage instead the improvement of a school practice, or new knowledge.) Maximum 1000 character	
Is your project based on an Kit eTwinning?
