Questions for Feedback

I always welcome feedback! Thank you very much for taking the time to answer some of these questions, and, of course, for playing through the game!

- 1) Who's your favorite character and why?
- 2) Who's your least favorite character and why?
- 3) What'd you think of the protagonist?
- 4) What did you like about the game? What did you dislike about it?
- 5) What would you have liked to see in this story?
- 6) Would you, perhaps, like to see more of these characters in merch or other content? If so, what would you like?
- 7) Any other feedback, questions, comments, or concerns?
