## A TEACHER'S PRAYER

I want to teach my students how
To live this life on earth,
To face its struggles and its strife
And to improve their worth.

Not just the lesson in a book,
Or how the rivers flow,
But to choose the proper path,
Wherever they may go.

To understand eternal truth,
And know right from wrong,
And gather all the beauty of
A flower

For if I help the world to grow
In wisdom and grace,
Then I feel that I have won
And I have filled my place.
