**The cost of sesshin is a sliding scale indicated with each sesshin:** (Please pay now if possible. See payment information below, under “How do I apply?”) **Your payment amount:**

To contact BZC with any questions regarding Sesshin, email: bayzencenter@gmail.com

The minimum on this scale pays for our cost to hold the sesshin, as well as small additional support to the center and the teacher. Please pay as much of the sliding scale as you can afford, as this will support others who cannot afford to attend as well as the center and the teacher. Our intention is to make our offerings available to everyone. We keep our fees as low as possible while responding to our basic expenses and limited financial means. Please don't let financial issues prevent you from attending. Scholarships are available to both members and non members. If you wish to apply for a scholarship, please check the box below. After your sesshin application is processed, the Sesshin Director will contact you with further instructions about applying for a scholarship.

I will be applying for a scholarship
