

This is not meant to be a comprehensive bibliography, but just a snapshot of some of the collaborative work of Dave and Kristin. There are lots of other people who are working on integrating linguistics into K12 education in various ways.

Linguistics in Science

Denham “Teaching Teachers to Teach Scientifically,” at the American Association for the Advancement of Science panel on “Teaching Science through Language,” Vancouver, BC, February 2012.

Denham: “Language Study as Science: Using L2s as a foundation for L1 linguistics education in a middle grade science class,” SIG EduLing conference Radboud University, Nijmegen, The Netherlands on 25 June 2021 (revised topic from postponed conference).

Denham: “Positioning Students as Experts: Grammar teaching, scientific methodology, and linguistic discrimination,” III International Congress on Teaching Grammar, January 23-25, 2019, Barcelona, Spain.

And lots of other people’s work, namely Maya Honda and Wayne O’Neil.

Linguistics in English Language Arts

Denham: “Positioning Students as Linguistic and Social Experts: Teaching grammar and linguistics in the United States.” *L1-Educational Studies in Language and Literature* 20, 1-17, 2020. <https://doi.org/10.17239/L1ESLL-2020.20.10.01>

Denham and Pippin “[“Sustained Linguistic Inquiry as a Means of Confronting Language Ideology and Linguistic Prejudice.”](#) (co-authored with David Pippin). In *Teachers’ and Linguists’ Perspectives: Practical Strategies for Teaching Language Variation and Language Ideologies*, edited by Michelle Devereaux and Chris Palmer, London: Routledge, 147-156.

Denham: “Examining Linguistics in the Language Strand of the Common Core,” *Language and Linguistics Compass* 9.3: 139-149 2015.

Denham: “Linguistic Responsibility: Social and Ethical Issues in English Teaching,” chair and presenter (with Eden Bradshaw Kaiser and Sharon Klein) at National Council of Teachers of English annual Convention, Minneapolis, MN, November 2015.

Denham: "No Nonsense in Nonsense Words: A new perspective on grammar" (with Beth Keyser) at NCTE session "The Story of Language: Integrating Linguistics into High School English Classrooms," (co-organized with Anne Lobeck), Washington, DC, November 2014.

Denham and Pippin "Developing a Middle School Linguistics Curriculum: Linguistics beyond the language arts," Linguistic Society of America symposium, "Razing the Standards," Pittsburgh, PA, January 2011.

Denham: "Ludlings Teach Language Diversity and Change: From Pig Latin to Ubbly Dubby," Presentation at the NCTE Annual Meeting, Pittsburgh, PA, November 2005
