

Student-Led Conferences

Fall 2024 (Season 16 Semester 1)
Information for Families

The purpose of Student-Led Conferences (SLC) is to facilitate a conversation between the student and their parent(s)/guardian(s) about their academic progress, areas of strength and growth, their goals moving forward and their specific plans for achieving their goals.

Student-led Conferences are different from traditional teacher conferences because in traditional teacher conferences, the purpose is for the teacher(s) to inform the parent(s)/guardian(s) about the student's performance and progress in the class and how they can do better. In an SLC, it is the *student's* responsibility to present & communicate this information to their parents/guardians.

Student-Led Conferences at Da Vinci Science High School for Spring 2024 will be **Monday - Thursday, October 14-17, 2024** (Week 9).

Here is the school schedule for that week:
