

HOW TO: GOOGLE MEET

Use the following directions to join a Google Meet!

1. Login to your RDPSPD Google Account on a computer or download the Google Meet Hangouts App to your Android or IOS device.
2. If you have been sent a link to a meet via Google Classroom or Email, you can simply click on the link or Join button. (Skip steps 3+ 4)
3. Click on the URL for your course in this spreadsheet (organized by grade level in tabs at the bottom):
[LT Connect](#)
4. Once you join the Google Meet. You will have access to a main screen where you can organize how you see participants. You will also be able to chat, view presentations and more! Your teachers can also record Google Meets to share with you via Google Classroom.

5. Check out the image below for ways to manage your Google Meet!
