

After Hours Extension – Now Available for Our FBC Plus Members

At Freedom Boat Club of Lake Wylie and Lake Norman, we know some of the best moments happen as the sun goes down. That's why we're excited to offer **After Hours Extensions** every day – giving you the chance to enjoy peaceful sunset cruises.

This new program is designed with **you** in mind: more flexibility, more memories, and the same hassle-free boating experience you love.

What is an After Hours Extension?

We know the sunsets on the lake are prime time boating! Extended evening boating allows members to enjoy an additional hour on the water during sunset. If you have a reservation that ends at 5pm or later you can add this extension and **stay out one hour after the stated return time in the reservation!**

This program is available **only** at our **Lake Wylie – Joyner's Marina** and **Lake Norman – Waterstreet Seaport** locations.

Who Can Enjoy an After Hours Extension?

- **FBC Plus Peace of Mind** is required to participate in this program.
- After Hours Extensions are not available for reciprocal members.
- Members must be in good standing, no delinquent charges and have completed 4 successful, incident-free reservations with us.

How It Works – Simple & Safe

- **Daily sunset slots** – Dedicated evening reservation windows (exact times based on sunset). Members must have an **evening** reservation booked prior to requesting this extension.
- **Easy booking** – Reserve your time slot as normal through through the reservation system, and then request the After Hours Extension on the Member Portal: www.myfreedomboat.club

- **Only \$75 per use** – A small, one-time fee for this special amenity (think of it like a single-use upgrade – you still only pay for fuel you use).
- **48-hour advance request** – If you have a standard evening return time reservation, just submit a request at least **48 hours prior to departure** if you'd like to extend.
- **Limited boats each evening** – Only 25% of the fleet is available for extended hours to keep things relaxed, safe and ensure plenty of availability for everyone.

Your Safety Comes First

We've built in extra safeguards so you can relax and enjoy the evening:

- Boats must stay within line of sight of the home marina at all times.
- All vessels must be fully docked no later than 30 minutes after local sunset (60 minutes after reservation stated return time).
- Weather must be safe (NOAA forecasts is one resource we use – trips are canceled or rescheduled if needed).
- Pre-departure safety checklist and briefing for every outing.
- Extra staff on duty to help with returns and docking.

No After Hours Extensions during fireworks or Holidays – we keep those nights standard for everyone's safety.

Easy Rules to Remember

- The \$75 fee is refundable if either (1) the member cancels 48 hours prior to scheduled reservation start time or (2) if the dockmaster cancels the approval due to weather.
- Late returns are strongly discouraged with a \$50 fee per 10-minute increment or portion thereof.
- All boats must stay within line of sight of the marina for the entire duration of the extension.
- This is only offered out of our Waterstreet Marina (Lake Norman) and Joyner's Marina (Lake Wylie) locations at this time.
- To maintain the quality and safety of this exclusive offering, non-compliance with these rules will impact your eligibility for future After Hours Extensions.
- This is only available In-Season (during Day Light Savings)
- An After-Hours Extension **may not be combined** with an Overnight reservation.

Ready to enjoy your first sunset cruise?

Simply fill out the short **After Hours Extension Request Form** and our team will get you scheduled for the perfect evening on the water.

Questions? Just ask any staff member at Lake Wylie or Waterstreet Seaport. We're here to make it easy and fun for you.

More time on the water. More moments that matter.

That's the Freedom Boat Club difference.
