Daily Announcements

Locker Decorating Process - Planning to decorate a friend's locker for their birthday? Before decorating a locker, you must pick up a locker decorating card from the main office.

School Rules – Just a reminder that ALL school rules apply before, during and after the school day while on school premises. This also applies to all schools and school-sponsored events. Please remember to respect yourself, others and the environment at all times.

Electronic Devices – It's extremely important that you understand the school's policy on using devices in the locker room and bathrooms. It states that in accordance with state law, under no circumstances shall any Personal Device with photographic capabilities be used in locker rooms, bathrooms, or other areas where privacy is expected. This is not only a school rule, but a state law. A student who violates this law and policy shall be subject to discipline, which may include consequences up to and including expulsion.

Parking lot: Students please remember to use the cross walks and proper lanes when crossing the street. There have been a few incidents that could have been a potential accident as cars can not always see you when you cross in the non designated areas.

Being Respectful - We've noticed a new trend where some students are folding Post-It notes into airplanes and trying to stick them to the ceiling. While it might seem fun, this actually causes damage to our building, makes extra work for our custodians, and can be unsafe if someone tries to climb on furniture to get them down. Please help us keep our classrooms and hallways safe, clean, and focused on learning. Thanks for doing your part to follow the Mustang Way and take care of our school!
